Journey To A War Armchair Traveller Series:

Journey to a War Wystan Hugh Auden, Christopher Isherwood, 1939 The authors describe their experiences traveling to China in 1938 and share their impressions of the Sino Japanese War **The Organization of Distance** Lucas Klein, 2018-07-17 What makes a Chinese poem Chinese Some call modern Chinese poetry insufficiently Chinese saying it is so influenced by foreign texts that it has lost the essence of Chinese culture as known in premodern poetry Yet that argument overlooks how premodern regulated verse was itself created in imitation of foreign poetics Looking at Bian Zhilin and Yang Lian in the twentieth century alongside medieval Chinese poets such as Wang Wei Du Fu and Li Shangyin The Organization of Distance applies the notions of foreignization and nativization to Chinese poetry to argue that the impression of poetic Chineseness has long been a product of translation from forces both abroad and in the past *English Writers* B. A. Sheen, 2004 *English Writers A Bibliography with Vignettes* **War Memory and Commemoration** Brad West, 2016-07-15 In a period characterised by an unprecedented cultural engagement with the past individuals groups and nations are debating and experimenting with commemoration in order to find culturally relevant ways of remembering warfare genocide and terrorism This book examines such remembrances and the political consequences of these rites In particular the volume focuses on the ways in which recent social and technological forces including digital archiving transnational flows of historical knowledge shifts in academic practice changes in commemorative forms and consumerist engagements with history affect the shaping of new collective memories and our understanding of the social world Presenting studies of commemorative practices from Africa Asia Australia Europe and the Middle East War Memory and Commemoration illustrates the power of new commemorative forms to shape the world and highlights the ways in which social actors use them in promoting a range of understandings of the past The volume will appeal to scholars of sociology history cultural studies and journalism with an interest in commemoration heritage and or collective memory **The publishers weekly**, 1991 The Publishers Weekly, 1915 **TIMES OF WAR & PERIL - The Historical Novels Series (Illustrated Edition)** G.
