The journal was designed to introduce whole foods for healthier living but ultimately change your state of mind through daily journaling around food for long term success.

**Total Temple Makeover** Gregg Jantz, 2010-06-15 While the world reels with an ever growing array of lose weight quick schemes Dr Gregory Jantz applies common sense and spiritual encouragement to lead readers on a reasonable realistic path to healthier living. While the world reels with an ever growing array of lose weight quick schemes Dr Gregory Jantz applies common sense and spiritual encouragement to lead readers on a reasonable realistic path to healthier living. Unlike the radical and even dangerous tactics that often captivate those who hunger for dramatic change Jantz advocates a gentle twelve week program which considers the whole person not just body weight. This comprehensive approach incorporates scripture study prayer and journaling as well as nutrition food consumption plans and body maintenance with the intention of reshaping a person's self image in addition to dropping inches in the waistline.
