**The Silent Queen** Paul Ellis, 2020-11-10 You have a story a song or a message that the world needs to hear But if you are denied the opportunity to share your gift your light will not shine as bright as God intended In The Silent Queen Paul Ellis demolishes the lies that keep women silent and sidelined In this book you will learn what Jesus really thought about women in leadership why the Bible never said women should stay in the shadows why submission may not mean what you think it means why you should never compare yourself or your wife to the excellent woman of Proverbs 31 and much more I was stunned by the things I discovered in this powerful book Sandra McCollom author of I Tried Until I Almost Died Brilliant Amen Yes Jami Amerine author of Well Girl A critical and essential masterpiece Nate Tanner evangelist at L3 International Ministries

**Feminine by Design** John D. Garr, 2013-05-23 Women are the product of divine design the exquisite creation that God fashioned with careful meticulous and loving care Understanding how and why God created woman enables both women and men to recognize the rightful contributions that God designed women to make for the welfare of humanity Despite millennia of misguided efforts by men to control and dominate them women were originally designed by God to be coequal with men and to have complete freedom to use any gift and to fulfill any role that he has given to them That design is still God's ideal for the God fashioned woman and includes the following subjects Designed to Be Feminine Designed for Beauty Designed for Purity and Modesty Designed for Sexual Fulfillment Designed for Nurture and Relationship Designed for Freedom Whatever your race ethnicity gender faith or social status this book and the other volumes in this series will literally set you free from misconceptions that have restricted the roles of women As you are reconnected with the Hebraic foundations of your faith you will clearly understand God's original design and purpose for women and you will begin to help remove obstacles that have kept women from assuming their God given roles in the family in society and especially in the community of faith
