Judaism and Jewish religion are not synonymous terms Judaism is more comprehensive than Jewish religion for Jewish religion is only a part of Judaism **Judaism as a Civilization** Mordecai M. Kaplan, 2015-06-02 Excerpt from *Judaism as a Civilization Toward a Reconstruction of American Jewish Life* Judaism and Jewish religion are not synonymous terms Judaism is more comprehensive than Jewish religion for Jewish religion is only a part of Judaism Judaism is the composite of the collected thoughts sentiments and efforts of the Jewish people In other words Judaism is the sum total of all the manifestations of the distinctively Jewish national spirit The Jewish religion is then only a part of Judaism though by far its most important part Among no other people on earth has religion occupied so large so significant a place in their spiritual life as it has among the Jews But besides religion there were and still are other elements in Judaism Bernard Felsenthal in *Teacher in Israel* by Emma Felsenthal New York 1924 p 212 It was a fatal mistake of the period of emancipation a mistake which is the real source of all the subsequent disasters in modern Jewish life that in order to facilitate the fight for political equality Judaism was put forward not as a culture as the full expression of the inner life of the Jewish people but as a creed as the summary of a few abstract articles of faith similar in character to the religion of the surrounding nations Israel Friedlaender in *Past and Present* Ark Pub Co Cincinnati 1919 p 267 Is the trend toward placing less emphasis on Judaism as a cult and more emphasis on Judaism as a civilization i e identifying it with all the activities and relations of life From a questionnaire submitted in 1925 to members of the Central Conference of American Rabbis Replies North South West Total Cult 3 8 4 15 Civilization 20 12 18 50 Yearbook C C A R 1926 p 320 About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish
