Stephen Yates, 2018-08-09 Christians look with hope to the resurrection of the dead and the restoration of all things But what of those who have already died Do they also await these things or have they in some sense already happened for them Within the Catholic theological community this question has traditionally been answered in terms of the disembodied souls of human beings awaiting bodily resurrection Since the 1960s Catholic theologians have proposed two alternatives resurrection at death into the Last Day and the consummation of all things or resurrection in death into an interim state in which the embodied dead await with us the final consummation of all things This book critically examines the Scriptural philosophical and theological reasons for these alternatives and on the basis of this analysis offers an account of the traditional schema which makes clear that in spite of these challenges it remains the preferable option **NIV, Starting Place Study Bible**

The Angel's Riddle James V. Head, 2017-09-29 First century Christians endured severe persecution including death from both the Jews and Romans The Revelation of Jesus Christ was recorded by the Apostle John primarily to give those beleaguered souls strength and hope as their world became increasingly intolerable They needed to know that God had not forgotten them The Angels Riddle is the result of an exhaustive critical analysis of the symbolism and imagery Jesus used to convey His message of hope A progressive process was used to analyze and decode each part of the message into a clear and concise format This is a deep study meant to be used with your Bible and suitable materials to record any crib notes you may desire to make along the way Commentary is provided as you progress through the book Details symbols and difficult language are broken down into manageable groups through analysis and comparison to multiple Bible passages backed up by only the Word of God The Angels Riddle is a critical analysis and study of the most difficult book in the Bible Dont hurry your patience will be rewarded I will attest that though many have tried few could have succeeded as Jim has in peeling back Revelations many layers Jim has summarized centuries of biblical scholarship and pulled together a deep and impressive bibliography In the process he became a Revelation scholar himself Larry Prescott PhD
