Initiations And Interactions Early Intervention Techniques For Children With Autism Spectrum Disorders:

Initiations and Interactions Teresa A. Cardon, 2007 Research suggests an early start is the key to a successful intervention for children diagnosed with an autism spectrum disorder What many don't know is that research also shows that for most early intervention programs to be effective they must involve a child's primary caregivers especially when it comes to such an all pervasive area as communication This book does not advocate that parents steer clear of therapists and specialists Instead it attempts to put more control in the parents hands Without adding to parents already busy schedules Teresa Cardon a speech language pathologist and author of best selling Let's Talk Emotions see page 33 discusses the importance of creating a communication environment in the home Simple everyday tools include deliberate use of books toys visual schedules and labeling among others
