Manual of Psychomagic Alejandro Jodorowsky,2015-01-30 A workbook for using symbolic acts to heal the unconscious mind Provides several hundred successful psychomagic solutions for a wide range of specific psychological sexual emotional and physical problems from stuttering eczema and fears to repressed rage and hereditary illnesses Details how practitioners can develop unique psychomagic solutions for their patients Explains how psychomagic bypasses the rational mind to work directly with the unconscious for quicker and more enduring change Traditional psychotherapy seeks to unburden the unconscious mind purely through talk and discussion Psychomagic recognizes that it is difficult to reach the unconscious with rational thought We should instead speak directly to the unconscious in its own language that of dreams poetry and symbolic acts By interacting on this deeper level we can initiate quicker and more enduring change to resolve repressed childhood trauma express buried emotions and overcome deep seated intimacy issues Through the lens of psychomagic illness can be seen as the physical dream of the unconscious revealing unresolved issues some passed from generation to generation In this workbook of psychomagic spells legendary filmmaker and creator of psychomagic Alejandro Jodorowsky provides several hundred successful psychomagic solutions for a wide range of psychological sexual emotional and physical problems from stuttering eczema and fear of failure to repressed rage hereditary illnesses and domineering parents Each solution takes the same elements associated with a negative emotional charge and recasts them into a series of theatrical symbolic actions that enable one to pay the psychological debts hindering their lives Explaining the shamanic techniques at the foundation of psychomagic the author offers methods for aspiring practitioners to develop solutions for their own unique patients Jodorowsky explains how the surreal acts of psychomagic are intended to break apart the dysfunctional persona with whom the patient identifies in order to connect with a deeper more authentic self As he says in the book Health only finds itself in the authentic There is no beauty without authenticity

Raising 4 Dimensional Children in a 2 Dimensional World Tim McCarthy,2021-07-15 Worried about Whether You re being a Good Parent Maybe you have a newborn and you don t know what to expect Maybe your child gets angry and you don t understand why Maybe your child spends too much time on the Phone or Gaming Don t fret You have what it takes to get the results you desire with a little help New Knowledge is the First Step It s hard to solve a problem if you don t understand the problem You

probably never realized that your child actually develops in 4 Dimensions The Physical Mental Emotional and Spiritual Neglecting even one dimension can be a source of problems When you understand your child s capabilities and limitations in each of the 4 Dimensions at each specific age you will see more clearly why he or she is acting that way Taking Action is the Second Step Knowledge isn t really power until it is put into action Once you have the theory you need practical solutions that will give you results You need clear actions you can take with your child to help him her develop in each dimension Raising 4 Dimensional Children in a 2 Dimensional World is a book that gives you both It has the knowledge you need and it also gives you over 400 educational and fun activities to help your child reach new milestones in growth in each dimension It s the Instruction Manual for Parenting that you didn t get with your child Parenting can be tough but you don t need a degree in psychology or education to raise your child because this book has the results of years of educational and psychological research explained in simple language then coordinates those results with easy and fun activities that your children will love Now is the time to develop a new relationship with your children using activities to enjoy the quality time you have after school after work and on weekends Parenting can be easy and even fun when you have the right tools You CAN do this
