1950s American Style: A Reference Guide (soft cover) Daniel Niemeyer,2013 Facets of the Fifties A reference guide to an iconic Decade of Movie Palaces Television Classic Cars Sports Department Stores Trains Music Food Fashion and more

The South Beach Diet Dining Guide Arthur Agatston,2005-12-27 Presents a guide for those following the South Beach diet plan to food selections in all types of restaurants ranging from chain and family to ethnic and fast food along with a cities guide for those having to dine during business travel

Guide to Pavement Maintenance Thomas McDonald,Patrick McDonald,2010-08 The cost of pavement maintenance keeps escalating upward as refining crude oil technology increases a shortage of raw materials rises and mining permits are harder to obtain As a result both private and public property owners and homeowners associations will be spending more on pavement maintenance than ever before Thomas and Patrick McDonald rely on nearly sixty years of experience in pavement construction and maintenance as well as years of research as they share practical tools and tips that will help anyone manage a successful pavement maintenance project Through the included charts that will help determine maintenance strategies the McDonalds guide others on how to Identify and repair distresses in asphalt pavement Develop the proper scope of work specifications bids and contract documents Estimate repair costs manage the project and monitor job site materials Evaluate the return on investment for repairs Designed specifically to aid in any asphalt projects for commercial properties shopping centers industrial properties apartment buildings and homeowners associations or master communities the Guide to Pavement Maintenance provides step by step leadership for anyone ready to tackle a pavement maintenance project

Multinational Enterprises and the Law Peter Muchlinski,2021-02-18 Multinational Enterprises and the Law is the only comprehensive contemporary and interdisciplinary account of the techniques used to regulate multinational enterprises MNEs at the national regional and multilateral levels In addition it considers the effects of corporate self regulation and the impact of civil society and community groups upon the development of the legal order in this area The book has been thoroughly revised and updated for this third edition making it a definitive reference work for students researchers and practitioners of international economic law business corporate and commercial law development studies and international politics Split into four parts the book first deals with the conceptual basis for MNE regulation It explains the growth of MNEs their business and legal forms and the relationship between them and the effects of a globalized economy and society now increasingly challenged by recently revived nationalist economic policies upon the evolution of regulatory agendas in the field In addition the limits of national and regional jurisdiction over MNE activities are considered a question that arises throughout the specialized areas of regulation covered in the remainder

of the book Part II covers the main areas of economic regulation including controls over and the liberalization of entry and establishment tax company and competition law and the impact of intellectual property rights on technology diffusion and transfer A specialized chapter on the regulation of multinational banks in the wake of the global financial crisis is new to this edition Part III introduces the social dimension of MNE regulation covering labour rights human rights and environmental issues Finally Part IV deals with the contribution of international investment law to MNE regulation and to the control of investment risks covering the main provisions found in international investment agreements their interpretation by international tribunals the process of investor state arbitration and how concerns over these developments are leading to reform proposals Firearms Trafficking - A Guide for Criminal Investigators Dale Armstrong, 2018-10-20 Those who profit

from illegally arming violent criminals and perpetuating the cycle of violence victimization and suffering are a special breed of bad guy Firearms Trafficking A Guide for Criminal Investigators helps criminal investigators set their sights on armed violent criminals and those who traffic the crime guns that fuel this violence This comprehensive text that provides insight into all aspects of firearms trafficking and armed violent crime investigation and easily keeps the readers interest with real life case examples demonstrating the successful application of all the techniques discussed This book is intended for criminal justice students colleges and universities criminal investigators in the U S and abroad law enforcement academies law enforcement executives researchers strategic planners and policy makers **Reference Book of Corporate**

PCC's Reference Book of Personal and Home Computing Dwight McCabe, 1977

Prove It with Figures Hans Zeisel, David Kaye, 2012-12-06

Prove It With Figures displays some of the tools of the social and statistical sciences that have been applied to the proof of facts in the courtroom and to the study of questions of legal importance. It explains how researchers can extract the most valuable and reliable data that can conveniently be made available and how these efforts sometimes go awry. In the tradition of Zeisel's Say It with Figures, a standard in the field of social statistics since 1947, it clarifies in non-technical language some of the basic problems common to all efforts to discern cause and effect relationships. Designed as a textbook for law students who seek an appreciation of the power and limits of empirical methods, the work also is a useful reference for lawyers, policymakers, and members of the public who would like to improve their critical understanding of the statistics presented to them. The many case histories include analyses of the death penalty, jury selection, employment discrimination, mass torts, and DNA profiling. Hans Zeisel was Professor of Law and Sociology Emeritus at the University of Chicago, where he pioneered the application of social science to the law. Earlier, he had a distinguished career in public opinion and market research. He has written on a wide variety of topics ranging from research methodology and history to law enforcement, juries, and Shakespeare. He was elected Fellow of the American Statistical Association and the American Association for the Advancement of Science, and in 1980 he was inducted into the Market Research Hall of Fame. David Kaye is Regents Professor at the Arizona State University, where he teaches evidence and related topics. An author of several law textbooks and treatises, his work also has appeared in journals of

Spanish Language Lessons Sergio Rodriguez, 2019-03-18

Have you ever wanted to visit a Spanish country and be able to speak Spanish? Traveling in Spanish countries can be hard. Believe me, I'm a frequent traveler and I've been all around the world. I've been in Europe, Asia, and South America, and I have to say that of all the places that I've been, I've never found more caring and lovely people than in Spanish countries. Maybe it's their past, maybe it's their language, but they are always available to give you a hand, talk to you, have fun, grab a drink, and generally have a good time. But the language barrier might be hard. You might find yourself trying to say something and the interlocutor understanding another thing entirely. It might be quite frustrating, and then you end up using your fingers or pointing to what you want, and to be honest, it's quite ridiculous and a bit childish. Sometimes you might be lucky and find someone nearby who understands English, and that works for the moment, but what if there's no one there? What if you want a burger without cheese? Or maybe you want a diet Coke, not regular, because you don't consume sugar. Or leaving aside the food matters, which are quite important, let's say that you want to book a hotel room, but you don't want to spend too much, and obviously you don't want to pay for things that you don't need. So there goes the Jacuzzi or the HD television. And you have to make yourself clear that you don't want that without using insults and pointing to the things that you don't want. That's why I'm writing this book to help you on your travels, so if you want to take a trip to a Spanish Country,

you won't find it hard to express yourself And I will not just explain you some phrases in Spanish to ease your life in your trip I will also teach the differences between countries and how to travel from one place to another So if you were planning a trip or maybe you are already in one and found yourself in a problem this is the book for you I hope it helps you with anything that might arise on your trip Get your copy now **Market Segmentation** Michel Wedel, Wagner A. Kamakura, 2000

Dividing customers into target groups has been a major part of marketing since the late 1950s and Wedel U of Groningen the Netherlands and Wagner U of Iowa review the foundations of the concept then hone in on the finite mixture methodologies that are being found increasingly successful They do discuss cluster analysis historically the best known technique for market segmentation but argue that finite mixture techniques are better because they are model based and allow for segmentation in a framework in which customer behavior is described by an appropriate statistical model that includes a mixture component They mention no date for the first edition Annotation copyrighted by Book News Inc Portland OR American

Girls in Popular Media Stella A. Riss, 2024-12-20 The appearance of high profile girl characters in popular culture media of all types soared between the years 1924 when Little Orphan Annie first appeared in the comic section of newspapers to 1945 when teenage girls replaced their younger sisters in the spotlight As such girl culture of the 1920s through the 1940s experienced a boom in popularity Despite the substantial impact that prepubescent and preadolescent girls had on society during this time scholars have largely overlooked the experiences of these girls and their depictions in popular entertainment American Girls in Popular Media A Cultural History of Preadolescent Girls 1890 1945 by Stella A Riss addresses this gap by weaving together archival materials newspaper articles letters images comic strips radio programs film and media content analysis both to tease out meaning from the varied depictions of young girls in popular culture and to uncover the voices and agency of those long silenced This book explores how these portrayals helped address societal anxieties exacerbated by the depression and war including generational conflicts gender issues racial tensions and urban rural divides This transformation not only mirrored societal changes but also played a role in shaping perceptions of femininity youth and social values leaving an indelible mark on American cultural history that continues to resonate today Socio-Economic Perspectives on

Consumer Engagement and Buying Behavior Kaufmann, Hans Ruediger, Panni, Mohammad Fateh Ali Khan, 2017-01-18 In modern business practices marketing dimensions are changing with new opportunities appearing in consumer behavioral contexts By studying consumer activities businesses can better engage and retain current and new customers Socio Economic Perspectives on Consumer Engagement and Buying Behavior is a comprehensive reference source on new innovative dimensions of consumer behavioral studies and reveals different conceptual and theoretical frameworks Featuring expansive coverage on a number of relevant topics and perspectives such as green products automotive technology and anti branding this book is ideally designed for students researchers and professionals seeking current research on the dimensions of consumer engagement and buying behavior **Book Review Digest** , 1905 Excerpts from and citations to reviews of

more than 8 000 books each year drawn from coverage of 109 publications Book Review Digest provides citations to and excerpts of reviews of current juvenile and adult fiction and nonfiction in the English language Reviews of the following types of books are excluded government publications textbooks and technical books in the sciences and law Reviews of books on science for the general reader however are included The reviews originate in a group of selected periodicals in the humanities social sciences and general science published in the United States Canada and Great Britain Publisher
