Empty Vessel, 2000 **Entering the Tao** Hua-Ching Ni, 1997-04-22 Master Hua Ching Ni uses straightforward language and personal experiences as well as traditional stories and teachings of the ancient masters to impart the wisdom of Taoism the Integral Way His teachings promote a simple natural healthy and happy way of life that lays the foundation for spiritual self cultivation Master Ni emphasizes that it is important first to establish a good understanding of basic spiritual principles and then begin to realize this wisdom in daily life by adopting practices and attitudes that help to conserve nourish and refine the subtle energy Among the topics he discusses in short accessible passages are Basic spiritual self protection Self reliance Emotional balance Do s and don ts for a healthy natural lifestyle Sleeping and dreaming Diet Love sex and marriage Meditations and invocations from the Taoist tradition *Humanity at the Crossroads* Garth J. Hallett, 2015-06-19 Humanity now stands at a crossroads between a world of unimaginable wonders and one of unprecedented terrors The choices we make now will determine not only the shape of our future but whether there will be for us as a species a future at all But if we are at such a crossroads are we even properly aware of it Governed by instincts rooted in the past are we prepared to see what we need to see to do what we need to do As technology evolves so must we but how and in what direction Are we unavoidably fated to trade liberty for security in ridding the world of terror and war Humanity at the Crossroads attempts to answer all of these critical questions while opening the dialogue for further debate It arrives in the process at the startling conclusion that the very technology which threatens to destroy us not merely its more favorable offshoots is itself the catalyst for that better world we may yet hope to inhabit *The Medical I Ching* Miki Shima, 1992 The first translation of this timeless classic of philosophy specifically for practitioners of the healing arts Includes diagnostic indications prognosis for all 64 hexagrams changing lines discussions of casting methods case histories *The Emotional I Ching* Chris Lofting, 2009

Beyond the Battleground Tom Bisio, 2016-05-17 Drawing on ideas from classical military strategy the Yijing Book of Changes and Chinese martial arts theory Tom Bisio presents a fascinating exploration of how insights from these sources can be deployed to manage crisis situations in all aspects of our daily lives Suggesting approaches for cultivating a strategic mindset that can be applied to one s relationships work and personal self fulfillment Beyond the Battleground offers methods of adapting to circumstances conserving one s own resources and avoiding or dissolving conflict that will aid any reader navigating the uncertainties of the changing world including the business person military theorist or martial artist Deftly interweaving his background in East Asian philosophy and history and his career in traditional Chinese medicine with his lifelong interest in the martial arts and military science Bisio also presents examples of successful strategies from history s great commanders such as Sunzi Alexander the Great Napoleon and Mao Zedong *Feng Shui* Angel Thompson, 2025-06-25 Feng shui pronounced fung shway is an ancient Chinese practice based on the idea that the auspicious placement and arrangement of buildings walkways doors furniture plants and other objects can ensure a good life Good feng shui allows cosmic energy or chi to flow freely creating a harmonious environment and improving the health love life peace even

prosperity of those who live or work there By carefully locating and orienting your residence and organizing its interior design to maximize good energy you can promote success and happiness In Feng Shui Angel Thompson a noted expert explains how you can make small or large changes in your home or office environment to increase the flow of positive energy Thompson s clear practical approach provides dozens of helpful tips for making any size and type of space better **Five Elements, Six Conditions** Gilles Marin,2016-04-12 Taoism and the use of the five elemental forces of nature for healing says Gilles Marin are esoteric understandable only through daily experience with a knowledgeable mentor Marin s 25 years of clinical practice teaching the ancient Taoist method of Chi Nei Tsang which uses hands on techniques and Taoist meditations to help clients heal uniquely qualifies him for the task Five Elements Six Conditions shows how simple and practical the ancient Taoist healing principles are and how effectively they deepen all methods of healing including modern medical approaches Step by step he shows how to work with instead of against the body whereby healing becomes not only possible but inevitable His clear language along with color coded maps and diagrams enables readers to understand the alchemical principles formed and refined over hundreds of years Each chapter includes specific exercises and meditations to help anyone integrate the essence of the teaching and develop at the physical mental emotional and spiritual levels The Complete Idiot's Guide to Theories of the Universe Gary Moring,2001-12-01 You re no idiot of course You know Heisenburg s uncertainty principle has nothing to do with where you put your car keys But modern cosmology is relatively complicated The mystery of the universe definitely isn t one we can flip to the end to see whodunit That hasn t stopped physicists astronomers and philosophers from searching for clues The topic is infinite literally but once you ve read this book you ll have a solid idea of our place in the universe and even where the cosmos itself might be headed In this Complete Idiot s Guide you ll explore Major religions philosophical and scientific theories concerning the nature and origin of the universe The theory of everything one coherent model that would explain how all the forces and particles of nature work The fascinating and even sometimes bizarre implications of the latest theories Spiritual Mathematics John Dunne-Brady,2014-02-13 This book opened an entirely new vista for organizing and using basic numbers It investigated standard linear numbers 1 2 3 4 5 and how they adversely affected our thinking and actions It carefully described a circular number system in which numbers were placed on concentric circles rather than on straight lines This new arrangement might very differently and beneficially affect our daily thought processes and activities The key discovery involved a series of ten mandalas circular patterns made from everyday numbers The book correlated these new breakthroughs with ancient spiritual patterns and practices found in the I Ching Yoga Kabala and in both Pagan and Christian mysteries These older teachings included the chakras tree of life tarot cards and sacraments Spiritual Mathematics gave a scientific explanation for many spiritual values and sacred phenomena It also emphasized the underlying spiritual realities encountered within modern scientific dogmas **The Yellow Emperor's Classic of Medicine** Maoshing Ni,1995-05-10 The Nei Jing is one of the most important classics of Taoism as well as the

highest authority on traditional Chinese medicine Its authorship is attributed to the great Huang Di the Yellow Emperor who reigned during the third millennium BCE This new translation consists of the eighty one chapters of the section of the Neijing known as the Suwen or Questions of Organic and Fundamental Nature The other section called the Lingshu is a technical book on acupuncture and is not included here Written in the form of a discourse between Huang Di and his ministers The Yellow Emperor s Classic of Medicine contains a wealth of knowledge including etiology physiology diagnosis therapy and prevention of disease as well as in depth investigation of such diverse subjects as ethics psychology and cosmology All of these subjects are discussed in a holistic context that says life is not fragmented as in the model provided by modern science but rather that all the pieces make up an interconnected whole By revealing the natural laws of this holistic universe the book offers much practical advice on how to promote a long happy and healthy life The original text of the Neijing presents broad concepts and is often brief with details The translator s elucidations and interpretations incorporated into the translation help not only to clarify the meaning of the text but also to make it a highly readable narrative for students as well as for everyone curious about the underlying principles of Chinese medicine [Taoist Astral Healing](#) Mantak Chia,Dirk Oellibrandt,2004-04-12

While Taoism centers on creating physical health that is deeply rooted in the earth s energies individuals also require energies from the stars and planets to continue to grow and to develop their full soul potential as addressed by this step by step program **Chris Shelton's Easy Guide to Fix Neck and Back Pain** Chris Shelton,2024-09-24 Josh and Kat from the bestselling The Club series tell their love story Back pain is no joke If you ve ever had a serious back injury you know that simple things like tying your shoes standing up straight and even being able to take a deep breath can become major tasks And you re not alone Up to a hundred million Americans suffer and spend approximately 86 billion each year trying to fix back issues Western medicine believes that back pain comes from age prolonged sitting your occupation being overweight and even diabetes But after working with thousands of clients international Qigong expert Chris Shelton tells a different story In Chris Shelton s Easy Guide To Fix Neck and Back Pain Shelton lays out step by step how to get immediate relief on your own without painful invasive and expensive surgeries and provides crucial lifestyle adjustments that can help prevent your back pain from sneaking up again in the future Grounded in the five thousand year old Chinese principles of Qigong a time tested body mind exercise and self healing system Shelton guides you through exercises stretches cupping breathing and visualization techniques to put the power back into your hands to heal acute and chronic neck and back pain This straightforward integrative approach with instructive photographs and illustrations will liberate you from pain to live the life you were meant to live [The Complete Idiot's Guide to the I Ching](#) Elizabeth Moran,Joseph Yu,Joseph Yu (Master.),2001 A guide to the ancient Chinese oracle provides a modern interpretation of the sixty four hexagrams and includes step by step instructions for casting using the three coin and yarrow stalk methods
