I Killed Adolf Hitler:

I Killed Adolf Hitler Jason, 2007-10-17 In this full color graphic novel Jason posits a strange violent world in which contract killers can be hired to rub out pests be they dysfunctional relatives abusive co workers loud neighbors or just annoyances in general and as you might imagine their services are in heavy demand One such killer is given the unique job of traveling back in time to kill Adolf Hitler in 1939 but things go spectacularly wrong **The Hitler Assassination Attempts**

John Grehan, 2022-04-21 Throughout his political life Adolf Hitler was the subject of numerous assassination plots some of which were attempted all of which failed While a few of these have become well known particularly the bomb explosions at the Bürgerbräukeller in Munich in 1939 and the Stauffenberg Valkyrie attempt carried out at the Wolfsschanze on 20 July 1944 many others have received far less attention until now In this book John Grehan has examined the known planned or proposed assassination attempts on Hitler from Chicago to London and from Sweden to the Ukraine some of which have not previously been presented to the general public by historians All manner of methods were proposed by those willing to bring Hitler's life to a premature and sticky end and Hitler was well aware of the danger which lurked potentially around every corner of every road railway track every building and even every individual As a result an immense multi layered security apparatus surrounded the Führer day and night Despite this and knowing the risks they faced many people sought to kill the German leader and some very nearly did Yet Hitler survived often by just a minute or a millimetre to die ultimately of his own hand These plots and conspiracies are detailed in this book along with a unique collection of photographs of many of the proposed or actual assassination locations All will be revealed in this fascinating compilation of the obscure the fanciful and the carefully considered attempts to assassinate Hitler **Hitler's Last Victims** Herbert R.
