Wright, Jr. ,2019-10-22 If you ve lost your ex not all hope is lost In fact you have every chance in the world to get your former partner back And this book is one of the essential keys to doing it You may have been advised to follow your heart if you wish to have the person you love back at your side While that s certainly good advice it is not all you should do At the end of the day you need to think of reconciliation as a goal If you have a goal then the next thing you need is a plan and a strategy That means planning considering the pros and cons and carefully weighing your options However with this book you re in the best position to get your ex back and it starts the very moment you start reading and implementing what I teach you This book will explain some very simple tactics that can give your ex a completely different view of the person you are and get her to fall in love with you all over again But more importantly I will help you determine exactly why you lost her in the first place how to shift your focus from her onto you to break the energy attachment and show you how to keep her this time by actually becoming a better man and being her best option While it

may seem completely counter intuitive but focusing on yourself is the critical first step in getting your ex back and keeping her This book will start from square one and lead you through all the steps to getting the woman you ve been after whether it s your ex or someone even better We cover the essentials to developing yourself so that you are attractive to women How to determine what type of woman is best for you How to pull off the romance she so desperately wants And most importantly to your success how to build your own self confidence so that you are comfortable doing anything If you master the techniques presented in this book you will have all of the tools necessary to make women find you irresistible I titled the book Men Are Stupid because so many men spend so much time and energy trying to play games and manipulate women all in an effort to trick her and get her into bed I said men are stupid because they fail to realize that women are incredible creatures and are just as if not more sexual and sensual than men They want sex just as much as we do You don t need to play games or tricks You just simply need to understand that women get turned on from the inside out You must seduce her mind first then everything else will open The best way to find and maintain a relationship with a woman is to first understand how she operates what turns her on and how to keep her interested Once you understand these key points you will unlock the secrets of seducing a woman The first thing to do is to get inside her mind and determine her inner workings Once you truly understand how she works everything else will fall into place Good Luck in your journey
