Book Synopsis

One day after school, Nettie came home and saw her mom working at the kitchen table. When she learned her mom was writing a thank you note, Nettie wanted to know why. "It may seem old-fashioned these days to write by hand, but it's classy," Nettie's mom explained to her daughter. There are six simple reasons plus an easy way to write thank you notes -- included in the book -- no matter the sender's age. This 34-page storybook has hand-drawn, full-color illustrations. It is the only how-to children's fiction book on the importance of keeping the etiquette of handwriting thank you notes from sadly going extinct ... just like the dinosaurs.
