During the summer of his first year in high school, a young man named Hodaka runs away from home to the bustling city of Tokyo. Alone and exhausted, he decides to kill time in a fast food place, where he meets a young woman named Hina who happens to work there. Little does he know that Hina possesses powers that not only affect the weather, but the whole world.

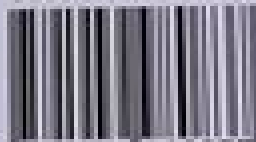

In *Weathering With You*, Makoto Shinkai dives into topics like love and sacrifice to show how the ordinary goes to protect the thing he loves most. This manga reveals the backstories and true thoughts of the characters who stole the hearts of fans and critics worldwide.

"Shinkai has been hailed as the new Miyazaki, and his dreamy mindscapes often equal or surpass the anime maestro in depth of detail and deep emotion." — *Kotaku*
