- Based on the student responses, we had a discussion on it as a point of interest (not to be overemphasized for the students' safety)
- After the 100, we moved to the springing, stretching and support of the person
- After stretching, we moved to the problem of support. At this point, we had the students think for what they could think
- After the 100, we had a discussion on the fact that the student was not
