The Gradual Release of Responsibility in Literacy Research and Practice Mary McVee, Evan Ortlieb, Jennifer Reichenberg, P. David Pearson, 2019-08-26 This edited volume discusses how the Gradual Release of Responsibility model evolved and has been applied how it benefits learners and teachers and how it can be utilised for years to come

Beyond Crises Debbie Zacarian, Margarita Espino Calderon, Margo Gottlieb, 2021-01-28 What are some lessons learned from the pandemic We learned that in times of crises the humanitarian needs of students families and ourselves must be a top priority We learned that forming effective partnerships with families and communities is essential to the health and well being of our children We were offered a blunt reminder that a system designed to serve the interests of a privileged few was destined to fail our historically underserved students especially our millions of multilingual learners Above all we learned that the normal many of us have yearned for was never good enough that we must envision a better world where we build on our multilingual students unique assets and cultivate their inner brilliance Only then will we deliver on their promise It s this better world a world in which communities schools and classrooms work together as a whole child ecosystem Beyond Crises Overcoming Linguistic and Cultural Inequities in Communities Schools and Classrooms sets out to create Taking a look from the outside in Debbie Zacarian Margarita Calder n and Margo Gottlieb address three critical arenas 1 Imagining Communities describes how to design and enact strengths based family and community partnerships including the critical importance of identifying valuing and acknowledging each member s assets and competencies and the ways recent crises have amplified their struggles 2 Imagining Schools takes an up close look at policies structures and now irrelevant ways of schooling that call for change and how we might reconfigure professional development to ensure every teacher and administrator is dedicated to the well being and success of our multilingual learners 3 Imagining Classrooms demonstrates how to optimize learning opportunities both virtual and face to face so our diverse students grow cognitively linguistically and social emotionally and accentuate their talents in knowing and using multiple languages in linguistically and culturally sustainable environments Student and family classroom school and local community are not silos unto themselves Debbie Margarita and Margo insist They are part of a larger whole that is interrelated and interconnected and even interdependent on each other By forming stronger alliances we can realize the power of truly working socializing and flourishing together Beyond Crises is the first critical step forward

Language Power Margo Gottlieb, Mariana Castro, 2017-03-14 Here at last is every K 8 teacher s playbook on the critical role academic language plays in content learning and student achievement What exactly is so different Margo Gottlieb and Mariana Castro distill the complexities of language learning into four key uses through which students can probe the interplay between language and content then demonstrate their knowledge and understanding It s as straight forward as that

Applying Linguistics in the Classroom Aria Razfar, Joseph C. Rumenapp, 2013-07-24 Making linguistics accessible and relevant to all teachers this text looks at language issues in the classroom through an applied

sociocultural perspective focused on how language functions in society and in schools how it is used for what purposes and how teachers can understand their students language practices While touching on the key structural aspects of language phonetics phonology morphology and syntax it does not simply give an overview but rather provides a way to study and talk about language Each chapter includes practical steps and suggests tools for applying different kinds of linguistic knowledge in classrooms The activities and exercises are adaptable to elementary or high school settings Many examples focus on the intersection of math science and language Teacher case studies show how real teachers have used these concepts to inform teaching practices Given the increasing use of multimedia resources in today s schools multiple mediums are integrated to engage educators in learning about language The Companion Website provides a multitude of relevant resources that illustrate the diversity of language functions and debates about language in society *Bilingual Education* United States.
