## **I Still Do Loving And Living With Alzheimers:**

*I Still Do* Judith Fox, 2009-09-15 This is a lovely book about a devastating problem Alzheimer's. The pages are like poetry and the photos say more than words. Anyone who has cared for a loved one with Alzheimer's will relate to and appreciate every one of these pages. Former Supreme Court Justice Sandra Day O'Connor. There is a sweetness in the light Judith Fox finds that softens a brutally unique and all too common experience. Ms Fox has made the story about love and devotion when it might easily be expected to be about a more tragic and angry vision. But the tough stuff is lurking around every corner. Arthur Ollman, Director, School of Art Design and Art History at San Diego State University. Three years into their marriage, Judith Fox's husband Dr Edmund Ackell was diagnosed with Alzheimer's Disease. Over the course of the next ten years, Fox watched as the man who used to perform surgery, fly planes, and run universities forgot how to turn on the coffee maker, place a phone call, or remember what his wife had told him two minutes earlier. More than 5 million Americans have Alzheimer's. A poignant and beautiful portrait of a man with Alzheimer's as seen through the loving lens and words of his wife and care partner. *I Still Do Loving and Living With Alzheimer's* puts a human face in front of the statistics exploring the disease through Fox's intimate photographs and poetic writing. While the details of *I Still Do* are personal and unique, this deeply candid story of illness, aging, partnership, and loving is universal.

**Alzheimers, A Caregivers Journey into Love** Cameron, 2024-08-07 For 14 years I lived through the insanity of Alzheimer with my wife from the day of her diagnosis September 3, 2004. Read for yourself the ups and downs, the crying, the laughter. With God's help, I not only survived and overcame, but I was able to build a new life. I believe this can be true for you too. There is hope for the caregiver. You too can have a new purpose for your life after your patient, your spouse, or parent or child has transitioned from this life. When my wife died on November 18, 2018, I grieved, but I also moved on. You can too.

*Finding Life in the Land of Alzheimer's* Lauren Kessler, 2007-05-31 An excellent book, an emotional and ruminative anchor. She leaves her readers with hope. *San Francisco Chronicle*: "One journalist's riveting and surprisingly hopeful in the trenches view of Alzheimer's. Nearly five million people in the United States are living with Alzheimer's. Like many children of Alzheimer's sufferers, Lauren Kessler, an accomplished journalist, was devastated by the disease that seemed to erase her mother's identity even before claiming her life. But suppose people with Alzheimer's are not slates wiped blank. Suppose they experience friendship and loss, romance and jealousy, joy and sorrow. To better understand this debilitating condition, Kessler enlists as a bottom-of-the-rung caregiver at an Alzheimer's facility and learns lessons that challenge what we think we know about the disease.
