Schneider reports on these natural disasters explaining when they're likely to strike and telling viewers how to respond when they do. In *Extreme Weather*, Schneider distills that information into a guide for readers. She interviews experts from a wide variety of agencies including FEMA and NOAA to provide a comprehensive understanding of the science behind weather patterns and the latest thinking on how to act in dangerous conditions. Ranging from topics that cover every season and every climate, Schneider introduces the reader to the best course of action during weather emergencies, including how to handle extreme weather scenarios in your car, outside on a boat, or at home; how to prepare for potential dangers such as deadly lightning when planning a camping trip, vacation, or sports outing; what you need to have at home to protect against floods, earthquakes, or severe storms; how to protect your home from rapidly spreading wildfire; how to create a family evacuation plan for different emergencies; making sure your beloved pet is taken care of in time of disaster. Drawing on actual survivor stories, *Extreme Weather* reminds readers that disaster can strike at any time, changing your life forever, making sure your beloved pet is taken care of in time of disaster. Tornado Terror (I Survived True Stories #3) Lauren Tarshis, 2017-02-28. From the author of the New York Times bestselling *I Survived* series comes two gripping accounts of two young people who survived two terrifying twisters. The Tri State Tornado of 1925 was the deadliest tornado strike in American history, tearing through three states and killing 700 people. Almost a century later, the Joplin Tornado was a mile-wide monster that nearly destroyed the heart of a vibrant city. The author of the New York Times best-selling *I Survived* series now brings you the vivid and true stories of two young people who survived these terrifying twisters, along with fascinating facts about tornadoes and profiles of the well-respected scientists and storm chasers who study them.
