Somalia International Monetary Fund. Monetary and Capital Markets Department,2019-01-25 The CBS has taken steps to establish important pillars of a proper policy framework for financial reporting auditing and internal controls by approving the Internal Audit and Audit Committee Charters and is committed to address the remaining shortcomings in these areas The Internal Audit Department IAD has made progress by initiating risk assessments of the various CBS business units and recruiting an Information Technology IT professional to join the team The Accounting and Finance Department AFD is making progress in implementing accrual accounting and accounting for foreign exchange operations International Accounting Standard IAS 21 and has created a new role of Reconciliation Officer to ensure all cash transactions are recorded properly However the IAD functions without a director which places the internal audit staff at a severe disadvantage to other departments and limits their authority to effectively implement their program Also while the mission team has stressed the importance of adopting International Financial Reporting Standards IFRS during this mission and the previous mission the CBS has not formally indicated that it will adopt this framework

2 High priority recommendations were made to address these shortcomings See Table 1 for homework assignments and high priority tasks
