Elle Foreword by Marianne Williamson Before she became a celebrated teacher and lecturer Gabrielle Bernstein was going down a dangerous path. For years Bernstein struggled with eating disorders, drug and alcohol abuse and constant self doubt and self loathing. That all changed when she discovered A Course in Miracles which taught her that much of what she feared in life was not frightening at all and in many cases not even real. Now Bernstein lives an empowered healthy and joyful life. In Spirit Junkie Bernstein guides readers through the life changing lessons that shaped her spiritual journey how we become accustomed to fearful ways of thinking how to recognize and change those thought patterns to make way for bliss and how to maintain our happiness and share it with the world. By understanding and changing our perceptions hang ups will melt away resentments will release and a childlike faith in joy will be reignited. Praise for Spirit Junkie For those ready to give up their addiction to suffering or who simply need to release the general malaise of a too busy too shallow way of life Spirit Junkie is a soothing balm for the soul. Gabrielle Bernstein is a brilliant shining guide for all who seek to have more love more light and more miracles in their life.
