

The Cold War Heats Up

1. As you read the passage, fill in the information you discover about the Soviet-American agreement below.

	What the Soviets Wanted	What the Americans Wanted
1. Would it make any sense to build space weapons and launch them?	That U.S. suspend the prohibition of launching nuclear weapons.	Not really.
2. Would anyone benefit from the launch and retrieval of satellites?	They would certainly gain access to satellites that were under U.S. control. It would destroy the U.S. satellite system.	They might realize that it was in their interest to have the U.S. launch satellites that they could control. They would also be able to launch satellites that they could control.
3. Would anyone disagree with the deal?	Not really.	Some people in the U.S. would disagree with the deal.
4. Would the deal be a victory for the U.S. or the Soviet Union?	Not really.	Not really.

2. Suppose the agreement is signed in the following way:

1. The U.S. will suspend the prohibition of launching nuclear weapons.

2. The U.S. will launch satellites that the Soviets can control.

3. The U.S. will launch satellites that the Soviets can control.

4. The U.S. will launch satellites that the Soviets can control.
