

User Manual

In this document we will outline how a user would be expected to interact with our system, and walk you through the processes available to the user.

Upon entering the website you are greeted with the *Welcome Page*. You may note that not a lot is available to the user at first glance. This is because we have not registered an account yet. To do this we may click the **Register** button in the center of the page, or in the top right hand corner.

Upon pressing this, the user is taken to the *Register* page, where they will be prompted to enter their registration details. Assuming they have entered details correctly, they may click **Submit** to register, and be taken to the *Login* page below.
