Guy Write What Every Guy Writer Needs To Know:

Guy-Write Ralph Fletcher, 2012-07-03 It's no secret that many guys dread writing assignments. But writing doesn't have to be boring nerd work. Writing is about power; it's about fun; it's about spoofs, humor, sports, blood, farts, superheroes, giant monsters tearing down the city, and serious subjects too. Ralph Fletcher, a guy writer himself and the author of forty-one books, discusses every tip needed to find the sweet spot in writing: the place where everything except the words stands still. With advice from favorite authors like Jon Scieszka, Jarrett Krosoczka, and Robert Lipsyte, this hands-on book will make a writer out of any guy.

The Common Core Approach to Building Literacy in Boys Liz Knowles, Martha Smith, 2014-05-27 Written with a focus on the English Language Arts Common Core Standards, this book provides a complete plan for developing a literacy program that focuses on boys, pre-K through grade 12. Despite the fact that reading and literacy among boys has been an area of concern for years, this issue remains unresolved today. Additionally, the emphasis and focus have changed due to the implementation of the English Language Arts Common Core Standards. How can educators best encourage male students to read, and what new technologies and techniques can serve this objective? *The Common Core Approach to Building Literacy in Boys* is an essential resource and reference for teachers, librarians, and parents seeking to encourage reading in boys from preschool to 12th grade. Providing a wide array of useful, up-to-date information that emphasizes the English Language Arts Common Core Standards, the bibliographies and descriptions of effective strategies in this book will enable you to boost reading interest and performance in boys. The chapters cover 16 different topics of interest to boys, all accompanied by a complete bibliography for each subject area: discussion questions, writing connections, and annotated new and classic nonfiction titles. Information on specific magazines, annotated professional titles, books made into film, websites, and apps that will help you get boys interested in reading is also included.

Marshfield Memories Ralph Fletcher, 2025-06-25 A heartfelt middle-grade companion to *Marshfield Dreams* that captures the boyhood years of twelve-year-old Ralph Fletcher in relatable episodes of everyday disappointments and triumphs. As the oldest of nine kids, Ralph was often cast as another parent to his siblings rather than as an older brother teetering between these two conflicting roles. Ralph longed to be home alone on a sick day but hated the emptiness of feeling left behind. He loved to play sports with his neighborhood friends but resented the skillful victories of his younger brother. Thrust into the expectations of impending adolescence, Ralph was curious about girls but embarrassed to take part in the school square dance. This satisfying memoir offers a snapshot of those pivotal moments between grade school and high school, all while tracing the roots of Ralph Fletcher's acclaimed storytelling.
