Dead Men Don't Order Flake Sue Williams, 2016-05-30 On the night Leo Stone returns notionally from the dead in reality from the Democratic Republic of the Congo Cass Tuplin gets a call from Gary Kellett A call about an actual dead person Gary's daughter killed in a car crash Gary's adamant it wasn't an accident Cass agrees to investigate

After all not just Rusty Bore's only purveyor of fine fast food Cass is also the closest thing to a private detective within a couple of hundred k's. The local police Cass's son Dean try to warn her off. It's true Cass's status as a celebrated yet non-licensed nobody doesn't entirely suit Dean. But Dean also believes Gary's a delusional grieving father. Is that the case? Or did a young journalist die after asking too many questions? Cass intends to find out. As soon as she's dealt with some queries raised by the reappearance of Leo Stone. Sue Williams is a science writer and chartered accountant who also holds a PhD in marine biology. She lives in Melbourne with her husband. Her first Cass Tuplin mystery *Murder with the Lot* also published by Text was shortlisted in the Ned Kelly Awards. There's a wry satirical element to much of Williams' humour. In the grand tradition of cosies Cass is a woman underestimated at your peril. Fun and often charming crime fiction thanks to its winning super sleuth heroine. *Saturday Paper*. Williams captures small town Victoria with ease and her plot has enough twists and red herrings to keep it interesting. Fans of *Murder With The Lot* will not be disappointed and no doubt will be hoping for more of Cass Tuplin. An excellent sequel *BookMooch*. Once again Williams has created a small town mystery with big repercussions with the wacky loveable characters who fill Rusty Bore making a comeback in this novel. *Weekly Times*. An enormously enjoyable and pacy novel set in a speck of a country town in rural Victoria with a plucky amateur sleuth amid a quirky ensemble of townsfolk and family. Quintessentially Australian without being overcooked. *Abbey's Bookshop*. A finely wrought and highly amusing crime novel. Williams has created a wonderful new series in the comedy crime genre. *Dead Men Don't Order Flake* is a multilayered yarn that mines the rich ore of regional Australia and I can't wait for the next Cass Tuplin adventure. Australian Williams has put together a recipe for madcap adventure the main ingredient an engaging female lead whose nosiness solves the mysteries of her tiny hometown. *Adelaide Advertiser*. This book is pure entertainment the author captures the quirky ways of small town Australia perfectly well apart from murder that is we don't get too many of them in these parts. *Audiothing*. Smoothly written with plenty of humour and some wry observations by Cass this is an enjoyable off beat crime novel with a good cast of characters and a nicely paced storyline. *Sydney Morning Herald*. [The Buffalo Job](#) Mike Knowles, 2014-06-10. Fans of Donald E Westlake's Parker novels written under his Richard Stark pseudonym will be on familiar ground. A very good entry in a very good series. *Booklist*. Wilson should have just walked away when three men came looking for a way to boost a valuable piece of art. The art came off the wall the alarm screamed thief and Wilson walked away clean. But it turned out that job was an interview for an even bigger heist. A dangerous man wants Wilson to get him something more valuable than a painting. Problem is Wilson only has a week. Wilson and his crew cross the Canadian border to Buffalo New York to steal a two hundred year old violin. A lot of people are interested in getting their hands on the instrument and none of them are shy about killing to get it. The job starts like a bad joke a thief a con man a wheel man and a gangster get in line to cross the border but the Buffalo job doesn't end with a punchline. It ends with blood. **Phronzie** Lydia Yoder, 2021-10-14. Kidnapping Possible murder Summer 1971 turns out to be far more exciting and mysterious than the Kennedy brothers. Keith

Bo and Ricky thought it would be When their parents disappear and an unexpected girl comes into the picture the boys are left to wonder if there is more to the story Perhaps there is a deeper mystery behind the kidnapping But whatever the case they have to rush against time to discover the answer to the question What is truth **Twilight in Italy** D. Beyond Virtue Ethics Stephen M. Meawad, 2023 This book develops a contemporary model of spiritual struggle aimed at perpetual ascent to and in God Spiritual struggle in this project which ultimately shifts the emphasis from virtue's acquisition to its pursuit is defined as the exertion of effort in all conceivable dimensions physical emotional psychological intellectual and spiritual with intent to attain a semblance of knowledge of and intimacy with Jesus Christ in community for God and for others Gregory of Nyssa's theory of epektasis assumes a basic three tiered conception of perpetual ascent beginning with purification and detachment from fleshly passions strengthening the soul by increasing in similitude to God and ending with unity with God that is with inexpressible and transformative experience of God God the infinite the Good and the Paragon of virtue functions as the orienting principle of this perpetual ascent mitigating the issues of the unity of the virtues and the self centeredness and self effacement of virtue This book goes on to provide two of many potential concrete instantiations of this suggested model The first is the

application of this model to the body which in turn will have implications for contemporary sexual ethics The second is a reintegration of ethics and Scripture through the contemporary application of an ancient Patristic lectio divina **The Crimson Blind** Fred M.
