London From Punk To Blair Revised Second Edition:

London From Punk to Blair Joe Kerr, Andrew Gibson, 2013-06-01 London from Punk to Blair is a rich portrait of Europe's foremost capital. An array of contributors including poets, journalists, teachers, historians, wanderers, drinkers, photographers and foodies offer a selection of personal and subjective readings of the city since the late 70s. These essays chart a variety of literal and metaphorical explorations through modern and postmodern London, showing how it works and how it fails to work, what makes it vibrant and what makes it seedy. From West End galleries to strip pubs in Shoreditch, from millionaires' loft apartments to buses and suburban Tube stops, from film fashion and gay clubs to punk bands, ruinous factories, pigeon filth and the vagaries of weather, London from Punk to Blair embraces the city like no other book has before. This revised edition includes a new introduction by editor Joe Kerr that brings the book up to date and gives the essays context for the post-recession world. Full of insight into the diverse experiences that constitute the recent history of London. Architects Journal. This rewarding collection brings into clear focus those dramatic shifts in the fortunes of the metropolis. Beautiful, revealing insights into particular ways of understanding and using the city. London Society Journal. *Walking Networks* Blake Morris, 2019-11-05 Since the early 2000s there has been an increase in artists who are walking as an essential part of their artistic practice. This book identifies the unique attributes of walking to develop a definition for walking as an artistic medium. Drawing on historical sources such as the walks of the Romantic poets, Dadaists and Letterist Situationist Internationals, it presents a practice-based approach to walking focused on the radical memory of the medium. The book covers three contemporary organisations working to develop the artistic medium of walking: London's Walking Artists Network, Scotland's Walking Institute and New York City's Walk Exchange, and looks at how these different organisations' strategies contribute to the development of the artistic medium of walking. The book is framed by five walking exercises and invites the reader to create a memory palace for the medium of walking as a practical exploration of artistic walking practices. **Modernism and Nostalgia** T. Clewell, 2013-07-29 This book addresses the multiple meanings of nostalgia in the literature of the period. Whether depicted as an emotion, remembrance or fixation, these essays demonstrate that the nostalgic impulse reveals how deeply rooted in the damaged, the old and the vanishing were the variety of efforts to imagine and produce the new, the distinctly modern. **NATØ: Narrative Architecture in Postmodern London** Claire Jamieson, 2017-01-20 Chronicling the last radical architectural group of the twentieth century, NAT (Narrative Architecture Today) who emerged from the Architectural Association at the start of the 1980s, this book explores the group's work which echoed a wider artistic and literary culture that drew on the specific political, social and physical condition of 1980s London. It traces NAT's identification with a particular stream of post-punk, postmodern expression, a celebration of the abject, an aesthetic of entropy and a do-it-yourself provisionality. NAT has most often been documented in reference to Nigel Coates, the instigator of NAT, which has led to a one-sided, one-dimensional record of NAT's place in architectural history. This book sets out a more detailed contextual

history of NAT told through photographs drawings and ephemera restoring a truer polyvocal narrative of the group s ethos and development Python beyond Python Paul N. Reinsch,B.
