Handing Down The Light Handing Down The Light:

Handing Down the Light Chi-Ying Fu, Zhiying Fu, 2004 Master Hsing Yun has transformed the role of Chinese Buddhism in the modern world Under his leadership large centers have been established in Taiwan Los Angeles and Sydney along with a host of other organized groups throughout the world Perhaps it is better to abandon the wish to explain greatness and simply look at the life story and delight in the lore and happenings Like other persons of fame Master Hsing Yun will never be completely explained While recognition and support were given in extraordinary amounts he had to overcome obstacles that would have defeated most people The forces of history were not favorable for a young Chinese Buddhist monk in the mid twentieth century He survived and held to his career as spiritual teacher in the face of formidable odds Perhaps his greatest accomplishment has been the courage to achieve great success and recognition without retreating from it It has not been in his way to enjoy a peaceful life in a hermitage after achieving acceptance from a community of disciples His energy and commitment seem as powerful today as they much have been when he arrived in Taiwan a strikingly handsome and charismatic young monk No future histories of Chinese Buddhism will be complete without reference to the influences of this leader Book jacket

The Politics of Buddhist Organizations in Taiwan, 1989-2003 André Laliberté, 2013-08-21 Lalibert looks at a relatively unexplored aspect of modern Taiwan the influence of religion on politics This book offers a detailed survey of three of the most important Buddhist organizations in Taiwan the Buddhist Association of the Republic of China BAROC the Buddha Light Mountain or Foguanshan monastic order and the Buddhist Compassion Relief Tzu Chi Association or Ciji It examines their contrasting approaches to three issues state supervision of religion the first presidential election of 1996 and the establishment of the National Health Insurance This study analyzes the factors that explain the diverse paths the three organizations have taken in the politics of Taiwan Based on an in depth examination of Buddhist leaders behaviour The Politics of Buddhist Organizations in Taiwan compels us to question conventional views about the allegedly passive aspect of religious tradition deference to authority in societies influenced by Confucian culture and the adverse legacy of authoritarian regimes

Underwood,1994 The eerie quiet and disorientating darkness of the night have long been associated with the terror of the unknown In the cold light of day it is all too easy for sceptics to dismiss apparently inexplicable events but in the dead of night when faced with the evidence of their senses and those of other perfectly rational people it is far more difficult to ignore the facts however disturbing they may be Peter Underwood is Britain s leading ghost hunter For over thirty years in his position as President and Chief Investigator of the Ghost Club of Great Britain he was actively involved in undertaking night vigils and carrying out research into ghosts and paranormal activity in controlled scientific conditions In this unique volume of largely unpublished accounts of nocturnal investigations he guides son a chilling tour of the most haunted houses in Great Britain Among others we encounter the headless Blue Lady and disturbing inexplicable odour of lavender of Bovey House in Devon the happy spirits monk of Bromfield Manor Shropshire who chuckles with delight when noticed and the strange disembodied voices footsteps and unnatural coldness of Newark Park Gloucestershire In *Nights in Haunted Houses* Peter Underwood vividly records terrifying accounts of ghostly encounters in locations as diverse as a farmhouse a church a castle and a council house and builds a convincing catalogue of evidence for the existence of ghosts Luther League

Sullivan's Woman Nora Roberts,2013-04-16 A thrilling story of inspiration and desire from 1 New York Times bestselling author Nora Roberts Colin Sullivan has a vision the painting of his career with Cassidy St John as his model She ll be a challenge to paint with her passion for life and captivating beauty But as Cassidy stands in front of him every day Colin begins to realize that the real test won t be capturing her image it ll be capturing her heart A NORA ROBERTS CLASSIC AVAILABLE DIGITALLY FOR THE FIRST TIME **Historical Destiny and National Socialism in Heidegger's Being and Time** Johannes Fritsche,2023-04-28 There has been much debate over the relationship of Heidegger s philosophy in particular his book Being and Time to his practical involvement with National Socialism Yet the question has never been addressed through a comparison of Being and Time with other texts on history and politics written at the time Johannes Fritsche does this providing a detailed interpretation of the relevant passages in Being and Time especially sections 72 77 on fate community and society He analyzes for comparison two other authors who explicitly regarded themselves as rightists Adolf Hitler *Mein Kampf* and Max Scheler *Formalism in Ethics* and other writings and two authors on the left Georg Luk cs *History and Class Consciousness* and Paul Tillich *The Socialist Decision* Fritsche concludes that Being and Time is a brilliant summary of right wing politics in general which proposes the destruction of liberal society in order to regenerate an idealized community In addition Heidegger rejects positions on the right such as Scheler s that enabled their authors to distance themselves from the most extreme political rightists and thus he paves the way for National Socialism Being and Time Fritsche demonstrates must be seen as a clear case for the National Socialists and their project of revitalization of the Volksgemeinschaft the community of the people This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again

using print on demand technology This title was originally published in 1999 There has been much debate over the relationship of Heidegger s philosophy in particular his book Being and Time to his practical involvement with National Socialism Yet the question has never been addressed through a comparison of Being and Ti Chambers's Encyclopaedia,1892 **Collected Works of Erasmus** Desiderius Erasmus,2009-05-23 As part of his effort to make the Bible an effective instrument of reform in society church and everyday life Erasmus composed the Paraphrases In these series of texts the Holy Scripture provides the core of a work that is vastly expanded to embrace the reforming philosophy of Christ in all of its forms This volume contains two sets of Paraphrases one on the Corinthian letters circa 1519 and the other on the group of letters from the Ephesians to the Thessalonians circa 1520 The first set presents an epistolary narrative which not only enlivens the events described but revisits them from a sixteenth century perspective Together they form a sharpened portrait of the primitive Corinthian church and an intriguing critique of the church as it was in Erasmus s time The second set Ephesians to Thessalonians offers an interpretation of Pauline theology with humanistic overtones that are distinctively Erasmian In these Paraphrases we see the craft of the philologist at work in the articulation of the doctrine of the Trinity the humanist depicting Christ with an unmistakably human sensibility and the artist discussing familiar theological virtues of faith and love in a new way Apart from providing the first complete English translations of these Paraphrases since 1549 this volume gives excellent insight into the fundamentals of Erasmian theology and includes annotations which highlight the historical and linguistic implications of Erasmus s original texts Volume 43 of the Collected Works of Erasmus series
