onward engaging in only irregular writing sessions and retrospective reporting Naturally he found little good to say about such outright adversaries as Thomas Morton Roger Williams and Anne Hutchinson Yet he was also adept at thrusting barbs at most of the other prominent players John Endecott Henry Vane and Richard Saltonstall among others Winthrop built lasting significance into the seemingly small scale actions of a few thousand colonists in early New England which is why his journal will remain an important historical source **The London Journal** ,1860 *The Saturday Evening Post* ,1914
