La Edad De Oro La Edad De Oro:

The Cuban Republic and José Martí Mauricio A. Font, Alfonso W. Quiroz, 2006-01-01 Jose Marti contributed greatly to Cuba's struggle for independence from Spain with words as well as revolutionary action. Although he died before the formation of an independent republic, he has since been hailed as a heroic martyr inspiring Cuban republican traditions.

The essays in Part I look at various past attempts at conveying moral messages to children and interrogate their underlying assumptions. What visions of childhood were conveyed by explicit attempts to cultivate specific virtues in children? What unstated cultural assumptions were expressed by growing resistance to didacticism? How should we prepare children to respond to racism in their books and in their society? Part II takes up the ethical orientations of various classic and contemporary texts including prosaic ethics in the Hundred Acre Wood moral discernment in Narnia ethical recognition in the distant worlds traversed by L. Engle and virtuous transgression in recent Anglo-American children's literature and in the emerging children's literature of 1960s Taiwan. Part III's essays engage in ethical criticism of arguably problematic messages about our relationship to nonhuman

animals about war and about prejudice The final section considers how we respond to children s literature with ethically focused essays exploring a range of ways in which child readers and adult authorities react to children s literature Even as children s literature has evolved in opposition to its origins in didactic Sunday school tracts and moralizing fables authors parents librarians and scholars remain sensitive to the values conveyed to children through the texts they choose to share with them

Historia literaria de España Pedro Rodríguez Mohedano,1777 A New Gaze Concepción Cascajosa Virino,2015-10-05 This book deepens the understanding of the work carried out by professional women in Spanish film and television since the arrival of democracy a period of radical changes that saw an emergence of female talent Although most of the literature on women and media deals with female film directors this book also addresses television a medium where the presence of women was significant throughout this period This book makes an important contribution to the study of the history of women in Spanish media focusing on the work of some well known names while also rescuing from oblivion others now forgotten It brings together scholars from Spain the United States and Ireland to analyze films and television programs written or directed by female professionals such as Pilar Mir Josefina Molina Cecilia Bartolom Rosa Montero Carmen Mart n Gaite Cristina Andreu Isabel Coixet and Paloma Chamorro The book also includes four interviews with screenwriter Esmeralda Adam television executive Carmen Caffarel filmmaker Ana D ez and television director Matilde Fern ndez Their reflections on personal and professional experiences shed light on the changes that took place in Spanish society during this period and the challenges they have faced in their careers
