La Historia De La Hija De Cleopatra Por Stephanie Dray En:

Daughters of the Nile Stephanie Dray, 2013-12-03 New York Times bestselling author Stephanie Dray's historical fiction series comes to a stunning conclusion as the daughter of Cleopatra risks everything to revive her dynasty. After years of abuse as the emperor's captive in Rome, Cleopatra Selene is now a powerful queen ruling over the exotic kingdom of Mauretania with her husband King Juba II by her side. But when a jealous Augustus Caesar demands that her children be given over to him to be fostered in Rome, Selene is drawn back into the web of imperial plots and intrigues that she vowed to leave behind. Determined and resourceful, Selene must shield her loved ones from the emperor's wrath all while vying with ruthless rivals like King Herod. But unless she can find a way to overcome the threat to her marriage, kingdom, family, and faith, Selene may very well be the last of her line.

Lily of the Nile Stephanie Dray, 2011-01-04 The extraordinary daughter of Cleopatra and Mark Antony seeks to reclaim her birthright in the first novel of an epic historical fiction trilogy from the New York Times bestselling author of *America's First Daughter*. From the first breath of her life, young Princess Selene understands herself to be a cherished daughter and the future queen of Egypt. But when Alexandria falls and her parents are forced into suicide, the once pampered princess and her two surviving brothers are left at the mercy of their captors and dragged through the streets of Rome in chains. Trapped in an empire that reviles her heritage and is suspect of her faith, Selene struggles for survival in a court of intrigue. She can't hide the hieroglyphics that carve themselves into her hands, nor can she stop the Roman emperor from using her powers for his own ends. Faced with a new and ruthless Caesar who is obsessed with having a Cleopatra of his very own, Selene is determined to resurrect her mother's dreams and succeed where she failed. But there's no telling what success will cost her in a treacherous political game where the only rule is win or die.

Song of the Nile Stephanie Dray, 2011-10-04 In the second novel in New York Times bestselling author Stephanie Dray's thrilling trilogy, Cleopatra's daughter seeks the power to stand against an empire. Having survived her perilous childhood as a royal captive of Rome, Selene has pledged her loyalty to Emperor Augustus, swearing to become his very own Cleopatra. But even though she is forced to marry a man of the emperor's choosing, Selene will not allow her new husband to rule in her name. Quickly establishing herself as a capable leader, she wins the love of her new subjects and makes herself vital to Rome by bringing forth bountiful harvests with the magic of Isis flowing through her veins. As she rules the kingdom of Mauretania and contends with imperial politics and religious persecution, Selene beguiles her way to the precipice of power with the ultimate goal of taking back her birthright. But the price of winning back her mother's Egyptian throne may be more than she's willing to pay.
