La Legion Etrangere En Indochine 1946 1956 French Edition:

French Foreign Légionnaire vs Viet Minh Insurgent Martin Windrow, 2018-09-20 The French Indochina War 1946 54 was the largest of the first generation of post World War II wars of decolonization as Vietminh insurgents sought to topple their French colonial masters It was also unique in that the insurgency evolved from low level guerrilla activity to mobile operations by a large conventional army which finally defeated a large European led expeditionary force supported by artillery armour and airpower The war's progress was almost entirely dictated by the extreme terrain and by the Chinese support enjoyed by the Vietnamese insurgents The actions explored in this study cover three contrasting phases of the war in Tonkin during 1948 52 setting both sides on the path that would lead to the conflict's climactic encounter at Dien Bien Phu in 1954 Featuring specially commissioned artwork and drawing upon a range of sources this meticulously researched study casts new light on the troops who fought on both sides in this evolving and momentous conflict French Indochina War Huston, Simon, 2021-07-01 Military mistakes impel strategic reflection The French Indochina War FIW from 1946 1954 furnishes useful insights with some resonance for current challenges A combination of pre existing conditions catalysts and operational drivers caused the cathartic 1954 French defeat Pre conditions included the illegitimacy of the colonial regime repression that polarised nationalist sentiment Economically pernicious terms of trade suppressed industrialisation but oiled speculation until suddenly reversed by devaluation in 1953 that reflected financial disengagement by France but increased American involvement Vacillating metropolitan and the dubious colonial regime of the night club Emperor Bao II fuelled political instability Militarily after the disastrous evacuation of the RC4 in 1950 Viet Minh men and supplies poured across the Chinese frontier In 1954 financial constraints and the looming international peace conference catalysed Navarre the new French commander to gamble on a battle of attrition He bet that the Viet Minh would be unable drag artillery to the remote jungle outpost of Dien Bien Phu but he underestimated their determination strength and adaptability In early December partisans resented the bungled evacuation of Lai Chau The entrenched camp's defences were inadequate and neither infantry sorties nor napalm suppressed VM artillery in the surrounding hills The French aero logistical sub system was overstretched and significant parachute supplies fell into enemy hands Navarre scattered his reserves on a futile and remote side show Operation Atlante The Americans prevaricated and refused to unleash their B29 fleet Iacta alea est the die was cast

France and the Algerian War, 1954-1962 Martin S. Alexander, J.F.V. Keiger, 2013-10-14 The French Army's war in Algeria has always aroused passions This book does not whitewash the atrocities committed by both sides rather it focuses on the conflict itself a perspective assisted by the French republic's official admission in 1999 that what happened in Algeria was indeed a war At the Edge of the World Jean-Vincent Blanchard, 2017-04-04 The remarkable story of the French Foreign Legion its dramatic rise throughout the nineteenth century and its most committed champion General Hubert Lyautey An aura of mystery romance and danger surrounds the French Foreign Legion the all volunteer corps of the French Army

founded in 1831 Famous for its physically grueling training in harsh climates the legion fought in French wars from Mexico to Madagascar Southeast Asia to North Africa To this day despite its reputation for being assigned the riskiest missions in the roughest terrain the mystique of the legion continues to attract men from every corner of the world In *At the Edge of the World* historian Jean Vincent Blanchard follows the legion's rise to fame during the nineteenth century focusing on its campaigns in Indochina and especially in Africa when the corps played a central role in expanding and protecting the French Empire As France struggled to be a power capable of rivaling the British the figure of the legionnaire deadly self sacrificing uncompromisingly efficient came to represent the might and morale that would secure a greater stronger nation Drawing from rare archival memoirs and testimonies of legionnaires from the period and tracing the fascinating career of Hubert Lyautey France's first resident general in Morocco and a hero to many a legionnaire *At the Edge of the World* chronicles the Foreign Legion at the height of its renown when the corps and its archetypically handsome moody and marginalized recruits became both the symbols of a triumphant colonialism and the stuff of legend

France and the Algerian War, 1954-62 Martin S. Alexander, John F. V. Keiger, 2002 The French army's war in Algeria has always aroused passions This study offers an honest appraisal of the atrocities carried out on both sides to reveal that what happened in Algeria was indeed a war and not just a minor conflict

Transnational Soldiers N. Arielli, B. Collins, 2012-11-28 Warfare in the modern era has often been described in terms of national armies fighting national wars This volume challenges the view by examining transnational aspects of military mobilization from the eighteenth century to the present Truly global in scope it offers an alternative way of reading the military history of the last 250 years

La légion étrangère André-Paul Comor, 2013 Point de vue de l'éditeur Singulier plus d'un titre la Légion étrangère occupe une place particulière dans l'armée française depuis sa création en 1831 Longtemps objet de la curiosité inquiète du public ou de l'hostilité de certains pays pourvoyeurs d'engagés volontaires elle a réussi surmonter toutes les crises menaçant son existence Le halo de mystères qui l'entourait l'origine a laissé le champ libre un imaginaire que la presse la littérature et le cinéma ont largement contribué à diffuser jusqu'à nos jours Si l'histoire occupe la première place de ce volume elle n'est pas pour autant confinée aux seuls récits des combats batailles et conflits au cours desquels les volontaires des régiments étrangers se sont illustrés les travaux les plus récents permettent d'clairer le lecteur sur la sociologie de cette société masculine et de mieux cerner le profil complexe du légionnaire Les grandes figures mieux connues aujourd'hui grâce aux biographies qui leur ont été consacrées cachaient la foule des hommes sans nom ces héros subalternes et anonymes aux destins contrastés Les articles consacrés aux maladies et aux pathologies aux plaisirs l'alcool les femmes le bordel militaire de campagne l'acculturation apportent des éclairages inattendus nouveaux plus d'un titre sur la vie quotidienne du légionnaire au temps des colonies Le lecteur est plongé dans ce microcosme le plus souvent imaginé et imaginaire depuis la fin du XIXe siècle Nul ne s'attendait à la place d'être la littérature souvenirs ou mémoires journaux et romans la presse aux représentations en général la chanson le théâtre l'opéra et au cinéma en particulier La ligne de partage entre le mythe littéraire et la réalité rapidement franchie le lecteur est invité à déchirer le voile et mieux connaître cette société jugée impénétrable L'engouement marqué du public pour la littérature de guerre ou sur la guerre qui a conduit les chercheurs à comprendre les ressorts et à décrire les lignes de force d'une culture militaire originale justifie pleinement la place tenue par les articles consacrés la mémoire et aux traditions Les aspects les plus neufs relèvent de l'histoire des relations internationales plus exactement des relations franco-allemandes marquées

par des crises et des tensions qui ont jalonné le premier XXe siècle 1900-1962 Le dictionnaire est précédé d'un texte étranger au service de la France sur la préhistoire de la Légion étrangère et comprend outre une chronologie comparée une bibliographie indiquée les premières discographies et filmographies sur la Légion des cartes plans et croquis ainsi que des tableaux accompagnant divers documents et planches d'insignes Une courte anthologie fait de surcroît de couvrir l'ensemble sensible qui se cache derrière le légionnaire anonyme Le public dispose désormais d'un outil de travail inégalé ce jour
