in France shows that understanding religion as separate from other aspects of life such as politics economy and culture disregards the ways religion has operated and been managed in secular societies such as France This book uncovers the varying rationalities of the secular that have developed over the past few decades in France to govern Islam in order to examine how Muslims engage with the secular regime and contribute to its transformation This book offers a close analysis of French secularism as it has been debated by Islamic intellectuals and activists from the 1990s until the present It will influence the study of secularism as well as the study of Islam in the French Republic and reveal new connections between Islamic traditions and secular rationalities

La France qui a peur ne veut voir dans celle des cités que des linquants islamistes et graines de terroristes insolubles dans la République. Cette France qui fait peur trop souvent laisse pour compte hurle la discrimination au racisme et à l'islamophobie. Dans cette cacophonie de lieux communs personne ne s'entend car personne ne écoute chacun se contentant de projeter sur l'autre ses fantasmes et ses préjugés, ses angoisses et ses frustrations. Résultat le contrat social qui a fait de la France un pays de manges et de rencontres bat son ruisseau de la aïe. Pour éviter qu'il ne finisse en miettes Caroline Fourest propose une remise en plat radicale des idées reçues qui prospèrent de part et d'autre. Systématiquement avec rigueur et impartialité elle les recense les décortique et les analyse. La France est-elle victime de l'islamisation la polygamie est-elle responsable des meutes de novembre 2005 La presse est-elle islamophobe La France est-elle raciste La justice est-elle laxiste Deux poids deux mesures Le modèle anglo-saxon fonctionne-t-il mieux Sans fantasmes ni angélisme Caroline Fourest répond aux questions des Français. De tous les Français. Ceux qui risquent de céder aux amalgames Et ceux qui risquent de répondre aux amalgames par d'autres amalgames.
