**Margot Mifflin**

## La Masacre De Oatman U:

The Blue Tattoo Margot Mifflin, 2009-04-01 Based on historical records including the letters and diaries of Oatman s friends and relatives The Blue Tattoo is the first book to examine her life from her childhood in Illinois including the massacre her captivity and her return to white society to her later years as a wealthy banker s wife in Texas BOOK JACKET

**Oregon Teachers' Monthly** ,1908 *Adventure* ,1921 Adventures in the Apache Country John Ross Browne,1871

*Dictionary Catalog of the History of the Americas* New York Public Library. Reference Department,1961 **Identity**

**Politics of the Captivity Narrative After 1848** Andrea Tinnemeyer,2006-01-01 Andrea Tinnemeyer s book examines the nineteenth century captivity narrative as a dynamic complex genre that provided an ample medium for cultural critique a revision of race relations and a means of elucidating the U S Mexican War s complex and often contradictory significance in the national imagination The captivity narrative as Tinnemeyer shows addressed questions arising from the incorporation of residents in the newly annexed territory This genre transformed its heroine from the quintessential white virgin into the Mexican maiden in order to quell anxieties over miscegenation condone acts furthering Manifest Destiny or otherwise romanticize the land grabbing nature of the war and of the opportunists who traveled to the Southwest after 1848 Some of these narratives condone and even welcome interracial marriages between Mexican women and Anglo American men By understanding marriage for love as an expression of free will or as a declaration of independence texts containing interracial marriages or romanticizing the U S Mexican War could politicize the nuptials and present the Anglo American husband as a hero and rescuer This romanticizing of annexation and cross border marriages tended to feminize Mexico making the country appear captive and in need of American rescue and influencing the understanding of foreign and domestic by relocating geographic and racial boundaries In addition to examining more conventional notions of captivity Tinnemeyer s book uses war song lyrics and legal cases to argue that captivity is a multivalenced term encompassing desire identity formation and variable definitions of citizenship **Western Teacher** ,1910 *Catalog* Yale University. Library. Yale Collection of Western Americana,1962 **Maria Amparo Ruiz de Burton** Amelia Mar de la Luz Montes,Anne E.

Goldman,2004-01-01 Since the recent republication of her novel *The Squatter and the Don* Mar a Amparo Ruiz de Burton 1832-95 has become a key figure in the recovery of nineteenth century Mexican American literature An aristocratic Californiana she championed the rights of Mexican Americans in novels plays and letters Her 1885 novel called attention to the illegal appropriation of Mexican land by the United States government and she critiqued the political mores of America after the Civil War in light of the Mexican American war Her keen assessment of corporate capitalism at the end of the nineteenth century frank acknowledgment of feminine desire and deft insights about economic realities and class relations were unique among her American peers Using Ruiz de Burton s work to analyze the critical schism conventionally imposed on nineteenth century literary culture in America the essays in this collection also draw connections between her work and

the contemporary Chicana and Chicano canons At once richly historical and critically nuanced these essays appraise a politically complex Mexican American writer alternately celebrated as marginalized and censured for her identification with a social elite This volume includes a section on pedagogy that offers a discussion of teaching approaches syllabi discussion questions and assignments

**Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971** New York Public Library.
