

10 birth active Positions

Supported Squats

Stand near the wall or ask your assistant to support you from the back. Legs wider than shoulders, bent, back straight (join pressed to the wall). Use diaphragmatic breathing.

Standing on all fours

Stay in a convenient location: on a bed or on a rug on the floor. Sway back and forth - imagine yourself as one big ball. Use diaphragmatic breathing.

Kneeling, leaning on a prop

Sit on your knees, socks together, heels apart, back straight. Practice in advance, with unaccustomed feet quickly "numb." Remember about diaphragmatic breathing.

On fitball

Exercises for fitball for pregnant women help not only in the process of gestation, but also prepare the body for the upcoming childbirth. In addition, immediately after the birth of the child, the body of the mommy will recover faster.

Water genera

This method is used to reduce pain, increase the level of comfort during childbirth, mitigate birth stress in a newborn caused by a sharp drop in temperature, gravity, light and sound effects.

Leaning on a prop

Sit on your knees, socks together, heels apart, back straight.

Lying on your side

Helps correct insertion of the head into the birth canal and reduces the likelihood of injury to the baby.

Birth as an American Rite of Passage Robbie Davis-Floyd, 2022-05-05 This classic book first published in 1992 and again in 2003 has inspired three generations of childbearing people birth activists and researchers and birth practitioners midwives doulas nurses and obstetricians to take a fresh look at the standard procedures that are routinely used to manage American childbirth It was the first book to identify these non evidence based obstetric interventions as rituals that enact and transmit the core values of the American technocracy thereby answering the pressing question of why these interventions continue to be performed despite all evidence to the contrary This third edition brings together Davis

Floyd's insights into the intense ritualization of labor and birth and the technocratic humanistic and holistic models of birth with new data collected in recent years

Choices in Pregnancy and Childbirth John Wilks, 2015-08-21 This clear balanced and well researched presentation of the various holistic options for treating mothers and babies during pregnancy and childbirth enables practitioners to create the best possible outcomes for mother and baby It offers practical tips to make childbirth a positive and safe experience and advice for when things don't go to plan

Birth of a New Earth Adrian Parr, 2017-10-24 In response to unprecedented environmental degradation activists and popular movements have risen up to fight the crisis of climate change and the ongoing devastation of the earth The environmental movement has undeniably influenced even its adversaries as the language of sustainability can be found in corporate mission statements government policy and national security agendas However the price of success has been compromise prompting soul searching and questioning of the politics of environmentalism Is it a revolutionary movement that opposes the current system Or is it reformist changing the system by working within it In Birth of a New Earth Adrian Parr argues that this is a false choice calling for a shift from an opposition between revolution and incremental change to a renewed collective imagination Parr insists that environmental destruction is at its core a problem of democratization and decolonization It requires reckoning with militarism market fundamentalism and global inequality and mobilizing an alternative political vision capable of freeing the collective imagination in order to replace an apocalyptic mindset frozen by the spectacle of violence Birth of a New Earth locates the emancipatory work of environmental politics in solidarities that can bring together different constituencies fusing opposing political strategies and paradigms by working both inside and outside the prevailing system She discusses experiments in food sovereignty collaborative natural resource management and public interest design initiatives that test new models of economic democratization Ultimately Parr proclaims environmental politics is the refusal to surrender life to the violence of global capitalism corporate governance and militarism This defiance can serve as the source for the birth of a new earth
