La Incierta Superficie:

El último hombre mortal Syne Mitchell, 2014-12-01 La joven Alexa Dubois creció en Louisiana donde los vertidos industriales echaron a perder las reservas de agua y acabaron con la vida de su familia y muy pronto también acabaron con la suya. El crecer la está consumiendo pero no se puede pagar una nanoregeneración celular ni mucho menos el costoso proceso de diez millones de dólares que la haría inmortal. Eterna Alexa no se resigna a su suerte solo por ser pobre decide pasar a la acción y unirse a un grupo de personas que planean asesinar al tirano Lucius Sterling, el propietario de la tecnología que da la Eternidad y bisabuelo de Jack Sterling, un hombre alérgico a la nanotecnología condenado a ser el último hombre mortal.

Mares de Furia Federico Andahazí, 2025-04-01 Una novela trepidante sobre las travesías de Hipólito Bouchard, marino francés corsario audaz y por momentos temible titán de los mares conocido por sus combates en las guerras por la independencia de Argentina como el asedio a California hacia 1816. A bordo de La Argentina Hipólito Bouchard cruza los mares provocando terror. Marino francés corsario audaz y por momentos temible titán es conocido por sus combates en las guerras por la independencia de Argentina como el asedio a California hacia 1816. Con un estilo que evoca las novelas de aventuras y piratas Federico Andahazí nos ofrece una trama que incluye tesoros ocultos, intriga política, batallas navales y camaradería corsaria. Además de Bouchard desfilan por estas páginas grandes figuras como el Almirante Brown, el marino Tomás Espora y Lord Byron. Mares de Furia retrata los últimos estertores de la España colonial en América y brinda un panorama de lo variopinto, solidario y férreo que fue la empresa independentista en el continente. Con un estilo cautivador y trepidante que nos invita a meternos de lleno en la época, Andahazí consigue el retrato de un grupo de hombres que batallan con honorabilidad, valentía y una inagotable sed de justicia en pos de la libertad de toda América. La crítica dijo: No sorprende la habilidad de Andahazí como constructor de mecanismos narrativos y su destreza para mantener en vilo al lector hasta el final. La Nación Andahazí sabe conducir a sus personajes hacia situaciones límite. Andrés de Luna Hoja por Hoja México Federico Andahazí nos sorprende con una narrativa entre mitológica y descarnadamente actual. Juan Felipe Echeverry Jaramillo Agenda Cultural Colombia Se percibe en Andahazí un autor lleno de ideas, consciente de rescatar la tensión del relato de terror y de misterio para la literatura y valorar en tiempos en que ha hegemonizado el discurso el criterio de la autonomía del lenguaje las maravillosas posibilidades de los contenidos. Temas y símbolos, tramas, historias, inspiración, musas, aquello que ha sido tan desechado por algunas vertientes contemporáneas de la literatura es traído al tapete por Andahazí, admirador evidente de viejos hábitos culturales y literarios.
