start reading news in the particular foreign language to be able to read only in the foreign language and extract enough understanding to continue the language learning process fruitfully this way A reader might like to go back to reading dual language news for reinforcement and further development returning to foreign language only news with a deeper understanding By going back to the same old news you are going over words word patterns and passages with which you already have a certain familiarity The process of reinforcement learning or retaining of what is new and exposure to what is unfamiliar is much easier this way even though the news may seem a little dated The aim of informing the reader about actual news is secondary especially given that the content will become less current and less relevant over time If you are having trouble with the level of difficulty in the text a suggested path for learning languages is as follows Familiarise yourself with a basic language instruction book or re read the one you have Once a student has studied the basics a suitable book about basic grammar can be helpful The suggestion is that any grammar book be studied more with the intent of recognition and understanding rather than memorising and obsessive rote learning Go through as much of the grammar book you feel you can digest maybe even the whole book skipping over what is not easily understood After this read through a portion of text in a book called Spanish Sentences by 2LanguageBooks looking for examples of what you have picked up or gleaned in your hopefully not so arduous study of grammar Even repeatedly seeing a word that you remember seeing listed as a subject pronoun or a third person plural verb of some sort is a great help Then depending on your inclination return to the grammar book or your basic Spanish book or move on to lengthier bilingual text like in 2Language Books texts containing news or stories for example or find some suitable Spanish text a simple novel a Spanish news website etc Grammar books will likely have some verb charts However there are currently good on line resources that go further dictionaries with a verb conjugation search option Many basic language books offer some form of audio support Internet services primarily news based radio stations offer podcasts Audio from television is an additional resource and can be formatted for use on various digital platforms However if audio is an important component of your interest in languages electronic devices that support quality text to speech TTS will likely be appealing With a library card TTS technology in a device that supports the relevant content and the above mentioned resources an entire language learning system is available for not much more than a cup of coffee There is no substantial financial outlay to get you started Furthermore there are no additional ongoing fees and updates and there are no expiry dates on premium content and resources A Dual Language Book Project 2Language Books

Louis Zamperini: Coraje sin límites Fabricio Sales Silva, 2025-05-03

Cuando era joven descubrí el poder transformador del deporte. Correr se convirtió en mi pasión y mi vía de escape. El apoyo de mi hermano Pete fue crucial. Me veía como algo más que un delincuente y me ayudaba a canalizar mi energía en algo positivo. Cuando rompí el récord de la milla en la escuela secundaria me di cuenta de que la vida tenía más que ofrecer de lo que podría haber imaginado. Este momento de triunfo sin embargo fue solo el comienzo de un viaje lleno de altibajos. Participar en los Juegos Olímpicos de Berlín en 1936 fue un sueño hecho realidad. Correr junto a los mejores del mundo y sentir la adrenalina de las competencias internacionales fue indescriptible. Sin embargo la vida tenía otros planes para mí. La vida me ha enseñado que el verdadero coraje no es la ausencia de miedo sino la capacidad de seguir adelante a pesar de él. Aprendí que la fe y la esperanza son herramientas poderosas para superar cualquier obstáculo. Lo imposible solo requiere un poco más de tiempo. Lo creo con todo mi corazón. Mi vida es la prueba de que con determinación y fe podemos superar cualquier adversidad. Espero que mi historia te inspire a nunca rendirte, a encontrar fuerza en las dificultades y a creer siempre que no importa lo que la vida te depare, puedes ganar. Si mi viaje te enseña algo que sea esto: el espíritu humano es inquebrantable y con coraje y fe todo es posible.
