11 "Accordingly, these two opposing types of responses to
12 an intervention pointing that threat suggests that the underlying driver could be the
13 social context.
14 "Furthermore, the effectiveness results of an organization's ability to bring
15 its own strengths and important business objectives into an effort against an
16 external, global threat such as terrorism, may only come as a surprise when
17 those organizations have not taken a real effort to use their own assets."
