Greek Tragic Style Form Language And Interpretation:

Greek Tragic Style R. B. Rutherford, 2012-05-10 An exploration of the poetic qualities of the Greek tragic dramatists Aeschylus Sophocles and Euripides highlighting their similarities and differences OCR Anthology for Classical Greek AS and A Level: 2021-2023 Simon Allcock, Sam Baddeley, John Claughton, Alastair Harden, Sarah Harden, Carl Hope, Jo Lashly, 2021-04-22 PLEASE NOTE that due to the previous text options being set for an extra exam year summer 2021 for AS summer 2022 for A Level the dates given in the title on the cover and inside this book are incorrect An errata slip has been included The only exam board approved book for OCR s Greek AS and A Level set text prescriptions for 2022 24 giving full Greek text commentary and vocabulary and a detailed introduction for each text that also covers the prescription to be read in English for A Level The texts covered are AS and A Level Groups 1 3 Thucydides Histories Book 6 19 to 6 32 Plato Symposium 189c2 to 194e2 Homer Odyssey 1 lines 213 444 Sophocles Ajax lines 1 133 284 347 748 783 A Level Groups 2 4 Thucydides Histories Book 6 47 to 50 1 and 53 to 61 Plato Symposium 201d to end of 206b Plutarch Alcibiades X 1 1 to XVI 5 Homer Odyssey 6 lines 85 331 Sophocles Ajax lines 430 582 646 692 815 865 Aristophanes Clouds lines 1 242 Resources are available on the Companion Website **Speech in Ancient Greek Literature**, 2021-12-06 Speech in Ancient Greek Literature is the fifth volume in the series Studies in Ancient Greek Narrative There is hardly any Greek narrative text without speech which need not surprise in the literature of a culture which loved theatre and also invented the art of rhetoric This book offers a full discussion of the types of speech the modes of speech and their effective alternation and the functions of speech from Homer to Heliodorus including the Gospels For the first time speech introductions and speech in speech are discussed across all genres All chapters also pay attention to moments when characters do not speak Anticipation and Anachrony in Statius' Thebaid Robert Simms, 2019-10-03 Applying the latest narratological theory and focusing on the use of anachrony or chronological deviation this book explores how Statius competes successfully for a place within an established literary canon Given the tremendous pressure on poets to render familiar stories in unfamiliar and novel ways how did he achieve this When Statius elected to sing of the quarrelsome sons of Oedipus he was acutely aware that this was a well trod road one frequently reproduced in a variety of genres epic drama and lyric poetry Despite this highly varied corpus against which he sought to contend he boasts that his epic has novelty and proudly declares that he is now counted among the prisca nomina or ancient names that sang of Thebes And indeed precisely the fact that there were so many story versions a greater number survive for comparison than for any other work from antiquity rivaling even the popularity of the Trojan legend means that the story is conveniently positioned to offer a unique exploration into how Statius creates a compelling story despite working within a saturated and overly familiar mythic tradition This book argues that it is chiefly through the use of narrative anachrony or non chronological modes of narration that Statius manipulates states of anticipation suspense and even surprise in his audience **FrC 22.2 Nikostratos II - Theaitetos** Andrew Hartwig, 2022-01-17 This work is part of

the *Fragmenta Comica* series which aims to provide commentaries and translations to all the surviving fragments and testimonia of the comic poets of ancient Greece This volume offers the first scholarly commentary and sustained study of several late fourth century BCE poets of the so called New Comedy among them Philippides of Athens a writer and dramatist highly esteemed in antiquity known especially for his acrimonious clashes with Athenian demagogues and his influential friendship with foreign kings All fragments are subject to close textual linguistic and stylistic analysis and are interpreted against the wider literary social and historical background of the period This volume will be a valuable reference work for scholars and students of ancient comedy as well as anyone interested in ancient literature more generally and the broader historical and cultural contexts in which these texts were written

The Female Characters of Fragmentary Greek

Tragedy P. J. Finglass, Lyndsay Coe, 2020-07-02 Sheds new light on the topic of women in tragedy by focusing on neglected evidence from the fragments

A Cultural History of Tragedy in Antiquity Emily Wilson, 2021-05-20 In this volume tragedy in antiquity is examined synoptically from its misty origins in archaic Greece through its central position in the civic life of ancient Athens and its performances across the Greek speaking world to its new and very different instantiations in Republican and Imperial Roman contexts Lively original essays by eminent scholars trace the shifting dramatic forms performance environments and social meanings of tragedy as it was repeatedly reinvented Tragedy was consistently seen as the most serious of all dramatic genres these essays trace a sequence of different visions of what the most serious kind of dramatic story might be and the most appropriate ways of telling those stories on stage Each chapter takes a different theme as its focus forms and media sites of performance and circulation communities of production and consumption philosophy and social theory religion ritual and myth politics of city and nation society and family and gender and sexuality

Euripides' "Alcestis" Andreas Markantonatos, 2013-10-14 This volume is an accessible yet in depth narratological study of Euripides *Alcestis* the earliest extant play of Euripides and one of the most experimental masterpieces of Greek tragedy not only standing in place of a satyr play but also preserving at least some of its typical features Commencing from the widely held view so lamentably ignored within the domain of Classics that a narratology of drama should be predicated upon the notion of narrative as verbal as well as visual rendition of a story this unique volume contextualizes the play in terms of its reception by the original audience locating the intricate narrative tropes of the plot in the dynamics of fifth century Athenian mythology and religion

Figuring Death in Classical Athens Emily Clifford, 2025-02-12 *Figuring Death in Classical Athens* puts art and literature in conversation to explore how ancient Athenians grappled with the uncertainties of death How did objects and texts generate thinking about what death is and might be like Were Athenians aware of the imaginative frameworks that underpinned their thinking Did they worry not just about death but whether they could figure it out Death in the ancient world has long been a subject of interest Studies abound that examine its social and ideological dimensions funerary practices and changing attitudes and beliefs This book takes a fresh approach cutting across sub disciplines art text

philosophy and so on to build a picture of how ancient art and literature got their audiences thinking thinking not just about death but about its knowability Whether in the theatre at the symposium or on the Acropolis representations of death challenged Athenians by presenting problems of exteriority how can the living know what dying might be like and particularity can one person's experience hold for another is death truly a leveller The material covered is wide ranging Unlike other studies which often focus on either art or text and on one category of objects or one literary genre the book pulls together exemplary texts and objects including Plato drinking cups Sophocles temple sculpture and Thucydides and makes each accessible to readers from multiple sub disciplines and indeed from beyond Classics It will be critical reading for those interested in ancient attitudes to death as well as those interested in cultural imagination and intellectual history As a multi media study it will appeal to those working on ancient image and text and their intersection and more broadly to those in other disciplines working on visibility mediality materiality and culturally situated ideas

The Art of History Vasileios Liotsakis, Scott T. Farrington, 2016-09-26 A significant trend in the study of Greek and Roman historiographers is to accept that their works are to a degree both science and fiction As scholarly interest broadens in addition to evaluating ancient historians on the basis of the reliability of the information they record and verifying the narratives against various elements of the material inscriptions excavations numismatics new studies are beginning to elaborate on the stylistic and narrative qualities of the texts themselves The present volume offers a fine collection of essays that on the whole emphasize the literary dimensions of the ancient Greek and Roman historians Offering narratological linguistic and theoretical approaches to historiography the contributors of the book elaborate on the intersections between historiography and other literary genres the literary manipulation of military events and the criteria of selectivity the reception of ancient historical texts in other genres time and space in historical narrative and plenty of other relevant topics The shared belief of the authors is that there is a close interrelation between the literary features and the scientific value of ancient Greek and Roman historiography

Poet and Orator Andreas Markantonatos, Eleni Volonaki, 2019-04-01 This multiauthored volume as well as bringing into clearer focus the notion of drama and oratory as important media of public inquiry and critique aims to generate significant attention to the unified intentions of the dramatist and the orator to establish favourable conditions of internal stability in democratic Athens We hope that readers both enjoy and find valuable their engagement with these ideas and beliefs regarding the indissoluble bond between oratorical expertise and dramatic artistry This exciting collection of studies by worldwide acclaimed classicists and acute younger Hellenists is envisaged as part of the general effort almost unanimously acknowledged as valid and productive to explore the impact of formalized speech in particular and craftsmanship rhetoric in general upon Attic drama as a moral and educational force in the Athenian city state Both poet and orator seek to deepen the central tensions of their work and to enlarge the main themes of their texts to even broader terms by investing in the art of rhetoric whilst at the same time through a skillful handling of events evaluating the past and

establishing standards or ideology **Characterization in Ancient Greek Literature** Koen De Temmerman, Evert van Emde Boas, 2017-11-01 Characterization in Ancient Greek Literature is the fourth volume in the series Studies in Ancient Greek Narrative The book deals with the narratological concepts of character and characterization and explores the textual devices used for purposes of characterization by ancient Greek authors spanning a large historical period from Homer to Heliodorus and a variety of literary genres epic elegy historiography choral lyric drama oratory philosophy biography and novel The book's aim is not only to describe these devices but also to investigate their effects and the implications of their use for our interpretation of the texts *Juvenescence* Robert Pogue Harrison, 2014-11-21 A meditation on the human condition in an age when the old aspire to be young from the author of *Forests The Shadow of Civilization Children's Literature* How old are you The more thought you bring to bear on the question the harder it is to answer For we age simultaneously in different ways biologically psychologically socially And we age within the larger framework of a culture in the midst of a history that predates us and will outlast us Looked at through that lens many aspects of late modernity would suggest that we are older than ever but Robert Pogue Harrison argues that we are also getting startlingly younger in looks mentality and behavior We live he says in an age of juvenescence Like all of Robert Pogue Harrison's books *Juvenescence* ranges brilliantly across cultures and history tracing the ways that the spirits of youth and age have inflected each other from antiquity to the present Drawing on the scientific concept of neotony or the retention of juvenile characteristics through adulthood and extending it into the cultural realm Harrison argues that youth is essential for culture's innovative drive and flashes of genius At the same time however youth which Harrison sees as more protracted than ever is a luxury that requires the stability and wisdom of our elders and the institutions A heady deeply learned excursion rich with ideas and insights *Juvenescence* could only have been written by Robert Pogue Harrison No reader who has wondered at our culture's obsession with youth should miss it Harrison explores our culture's understanding of age youth and aging his book will provide mature wisdom indeed Publishers Weekly *Euripides: Iphigenia in Tauris* Emily Kearns, 2023-03-16 Euripides *Iphigeneia* among the Taurians has been a popular and influential text from antiquity onwards It is a suspenseful drama set on the Black Sea coast in what is now Crimea which explores themes of family loyalty Greeks and barbarians and the nature of the gods The plot combines an unrecognised meeting between *Iphigeneia* now a priestess of Artemis among the Taurians and her brother Orestes who with his friend Pylades has been captured and brought to her for sacrifice with an exciting escape attempt for all three ultimately brought about by divine intervention This edition includes a full Introduction to the literary and production aspects of the play while the Commentary elucidates problems of language as well as interpretation These combine to make the play fully accessible to intermediate level undergraduates and graduate students wishing to read it in the original Greek *Homer's Allusive Art* Bruno Currie, 2016-10-06 What kind of allusion is possible in a poetry derived from a centuries long oral tradition and what kind of oral derived poetry are the Homeric epics Comparison of Homeric epic

with South Slavic heroic song has suggested certain types of answers to these questions yet the South Slavic paradigm is neither straightforward in itself nor necessarily the only pertinent paradigm Augustan Latin poetry uses many sophisticated and highly self-conscious techniques of allusion which can this book contends be suggestively paralleled in Homeric epic and some of the same techniques of allusion can be found in Near Eastern poetry of the third and second millennia BC By attending to these various paradigms this challenging study argues for a new understanding of Homeric allusion and its place in literary history broaching the question of whether there can have been historical continuity in a poetics of allusion stretching from the Mesopotamian epic of Gilgamesh via the Iliad and Odyssey to the Aeneid and Metamorphoses despite the enormous disparities of time and place and of language and culture including those represented by the cuneiform tablet the papyrus roll and by an oral performance culture The fundamental methodological problems are explored through a series of interlocking case studies treating of how the Odyssey conceivably alludes to the Iliad and also to earlier poetry on Odysseus homecoming the Iliad to earlier poetry on the Ethiopian hero Memnon the Homeric Hymn to Demeter to earlier poetry on Hades abduction of Persephone and early Greek epic to Mesopotamian mythological poetry pre eminently the Babylonian epic of Gilgamesh

Euripides, "Ion" Gunther Martin, 2018-02-05 Euripides *Ion* is a highly complex and elusive play and thus poses considerable difficulties to any interpreter On the basis of a new recension of the text this commentary offers explanations of the language literary technique and realia of the play and discusses the main issues of interpretation In this way the reader is provided with the material required for an appreciation of this entertaining as well as provocative dramatic composition

The Plays of Euripides James Morwood, 2016-10-06 Over the past decades there has been something of a revolution in the way we view classical drama generally and Euripides in particular This book updated in a second edition reflects that revolution and aims to show how Euripides was continually reinventing himself A truly Protean figure he seems to set out on a new journey in each of his surviving 19 plays Between general introduction and final summary Morwood's chapters identify the themes that underlie the plays and concentrate above all on demonstrating the extraordinary diversity of this great dramatist New to this edition which is updated throughout are further details on the individual plays and extra suggestions for background reading The volume is a companion to *The Plays of Sophocles* and *The Plays of Aeschylus* both by Alex Garvie also available in second editions from Bloomsbury A further essential guide to the themes and context of ancient Greek tragedy may be found in Laura Swift's new introductory volume *Greek Tragedy*

Reading Greek Tragedy Simon Goldhill, 2023-11-02 Revised edition of a pioneering critical introduction to Greek tragedy which helps readers appreciate the plays in all their complexity

Reading Coetzee's Women Sue Kossew, Melinda Harvey, 2019-07-24 This is the first book to focus entirely on the under researched but crucial topic of women in the work of J M Coetzee generally regarded as one of the world's most significant living writers The fourteen essays in this collection raise the central issue of how Coetzee's texts address the woman question There is a focus on Coetzee's representation of women engagement with women writers and the

ethics of what has been termed his ventriloquism of women's voices in his fiction and autobiographical writings right up to his most recent novel *The Schooldays of Jesus*. As such this collection makes important links between the disciplines of literary and gender studies. It includes essays by well known Coetzee scholars as well as by emerging scholars from around the world providing fascinating and timely global insights into how his works are read from differing cultural and scholarly perspectives.

Euripides, "Alexandros" Ioanna Karamanou, 2017-12-18 This is the first full scale commentary on Euripides' *Alexandros* which is one of the best preserved fragmentary tragedies. It yields insight into aspects of Euripidean style, ideology and dramatic technique e.g. rhetoric, stagecraft and imagery and addresses textual and philological matters on the basis of a re-inspection of the papyrus fragments. This book offers a reconstruction of the play and an investigation of issues of characterization, staging, textual transmission and reception not least because *Alexandros* has enjoyed a fascinating *Nachleben* in literary, dramaturgical and performative terms. It also contributes to the reader's understanding of the trends of later Euripidean drama especially the dramatist's innovation and experimentation with plot patterns and staging conventions. Furthermore the analysis of *Alexandros* could stimulate a more comprehensive reading of the extant *Trojan Women* coming from the same production which bears the features of a connected trilogy. Thus the information retrieved through the interrogation of the rich fragmentary material serves to supplement and contextualize the extant tragic corpus showcasing the vitality and multiformity of Euripidean drama as a whole.

Getting the books **Greek Tragic Style Form Language And Interpretation** now is not type of inspiring means. You could not deserted going in the manner of ebook increase or library or borrowing from your friends to gate them. This is an very easy means to specifically acquire lead by on-line. Greek Tragic Style Form Language And Interpretation Introduction

In today's digital age, the availability of Greek Tragic Style Form Language And Interpretation books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Greek Tragic Style Form Language And Interpretation books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Greek Tragic Style Form Language And Interpretation books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Greek Tragic Style Form Language And Interpretation versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Greek Tragic Style Form Language And Interpretation books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Greek Tragic Style Form Language And Interpretation books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Greek Tragic Style Form Language And Interpretation books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated

to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Greek Tragic Style Form Language And Interpretation books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Greek Tragic Style Form Language And Interpretation books and manuals for download and embark on your journey of knowledge?

FAQs About Greek Tragic Style Form Language And Interpretation Books

1. Where can I buy Greek Tragic Style Form Language And Interpretation books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.

web tabards knitted in majestic dk for every king cole pattern you buy a donation will be made to the pink ribbon foundation view other included designs click here to find a stockist size 56 76cm 22 30cm pattern contents yarns that

preferred fits and tolerances charts iso amesweb - Oct 10 2022

web preferred fits and tolerance table for hole and shaft basis systems which are given in iso 286 1 2010 and ansi b4 2 1978 standards the usage of these tolerances is advised for economic reasons loose running fit for wide commercial tolerances or allowances on external members

iso tolerances for bolt fastener and holes table chart iso 286 - Nov 11 2022

web the following iso tolerance chart for bolts and holes per iso 286 these size charts do not compensate position or other gd t location tolerances related mechanical tolerance design data preferred tolerance grade zones iso 286 international tolerance grades for more exhaustive fastener tolerance data see

design engineering manufacturing tolerance limits fits charts - Dec 12 2022

web for bearing mating shafts and housing are provided within the tables below are defined by iso tolerances for shafts and housings iso 286 in conjunction with the tolerances Δ_{dmp} for the bore and Δ_{dmp} for the outside diameter of the bearings per din 620

table of metric hole tolerances per iso 286 chart calculator - Jul 19 2023

web mechanical tolerance chart data the following engineering calculator will show the plus and minus tolerance for the specific iso 286 hole tolerance data enter your desired preferred tolerance grade and the nominal size also see table of shaft tolerances per iso 286 preferred tolerance grade iso 286 international tolerance grades

iso system of limits and fits tolerances pfeffer - Sep 09 2022

web tolerance class name for a combination of a fundamental deviation and a tolerance grade e g h7 fundamental tolerance a tolerance assigned to a fundamental tolerance grade e g it7 and a nominal dimension range e g to 50 mm fit planned joining condition between hole and shaft iso system of limits

iso 286 1 2010 en geometrical product specifications gps iso - May 17 2023

web this part of iso 286 gives the internationally accepted code system for tolerances on linear sizes it provides a system of tolerances and deviations suitable for two features of size types cylinder and two parallel opposite surfaces the main intention of this code system is the fulfilment of the function fit

h h tolerances for shafts and holes full charts machining - Jun 06 2022

web h h tolerances for shafts and holes full charts deviation h menu holes h charts shafts h charts tolerance calculator all deviations deviation switcher a b c cd d e ef f fg g h js j k m n p r s t u v x y z za zb zc

table of metric shaft tolerances per iso 286 chart calculator - Mar 03 2022

web table of metric shaft tolerances per iso 286 chart calculator mechanical tolerance chart data the following engineering calculator will show the plus and minus tolerance for the specific iso 286 shaft tolerance data enter your desired preferred tolerance grade and the nominal size also see table of hole tolerances per iso 286

iso awi 2768 general tolerances - Jan 13 2023

web this part is intended to simplify drawing indications and specifies general tolerances in four tolerance classes it applies to the dimensions of workpieces that are produced by metal removal or are formed from sheet metal it contains three tables

and an informative annex with regard to concepts behind general tolerancing of dimensions

[iso 2768 1 2 iso general tolerances chart pdf dek](#) - Aug 20 2023

web iso 2768 1 is intended to simplify drawing indications and specifies general tolerances in 4 tolerance classes f fine m medium c coarse v very coarse it applies for the linear dimensions and angular dimensions such as external sizes internal sizes step sizes diameters radii distances external radii and chamfer

[iso tolerances for holes iso 286 2 tribology](#) - Jul 07 2022

web iso tolerances for holes iso 286 2 nominal hole sizes mm over 3 6 10 18 30

[international iso standard 286 2](#) - Jun 18 2023

web iso 286 consists of the following parts under the general title geometrical product specifications gps iso code system for tolerances on linear sizes part 1 basis of tolerances deviations and fits part 2 tables of standard tolerance classes and limit deviations for holes and shafts iv

engineering tolerance wikipedia - Aug 08 2022

web this method of standard tolerances is also known as limits and fits and can be found in iso 286 1 2010 link to iso catalog the table below summarises the international tolerance it grades and the general applications of these grades

[iso hole tolerances iso 286 2 400mm to 3150mm coban](#) - May 05 2022

web sep 18 2023 iso hole tolerances iso 286 2 400mm to 3150mm iso hole tolerances for chart given below shows range between 400mm to 3150mm nominal dimension and tolerance zone for holes are in mm metric iso hole tolerances help the manufacturer to machine the parts with specified limits given by engineer iso hole

general iso geometrical tolerances per iso 2768 - Apr 16 2023

web the following are general geometrical tolerances per iso 2768 for the following linear dimensions external radius and chamfer heights straightness and flatness perpendicularity symmetry runout gd t training tolerances

iso hole tolerances iso 286 2 3mm 400mm coban - Feb 02 2022

web sep 20 2023 iso hole tolerances iso 286 2 3mm 400mm iso hole tolerances for chart given below shows range between 3mm to 400mm nominal dimension and tolerance zone for holes are in mm metric iso hole tolerances help the manufacturer to machine the parts with specified limits given by engineer

[iso 17 040 10 limits and fits](#) - Feb 14 2023

web geometrical product specifications gps iso code system for tolerances on linear sizes part 2 tables of standard tolerance classes and limit deviations for holes and shafts 90 93 iso tc 213

iso fits and tolerances according to din iso 286 trelleborg - Mar 15 2023

web our fits tolerances calculator allows you to easily determine type of fits using the tolerances according to din iso 286 in

addition upon entering the nominal diameter the tool calculates lower and upper limit deviations plus the maximum and minimum interferences dependent on the selected tolerance classes for bore and shaft

iso tolerance on the app store - Apr 04 2022

web iso tolerance is an application that brings iso hole basis tolerance charts to your iphone based on iso 286 the application allows users to enter a nominal diameter for hole or shaft select the tolerance grade using a simple selector and reveal the upper and lower tolerances based on the selected grade
