Practicing Prayer for the Dead James B. Gould, 2016-11-04 Throughout history Christians have prayed for the dead This book challenges Protestants who seldom pray for the dead to begin doing so and Roman Catholics and Eastern Orthodox who pray only for the Christian dead to include the unsaved as well Gould discusses the meaning of prayer for final consummation of all things growth of the blessed in heaven purification of the imperfect in purgatory and salvation of the unsaved in hell identifying the necessary conception of the afterlife required by each particular prayer He also reflects on the spiritual value of prayer for the departed how it enhances faith builds hope and sharpens discipleship and provides some sample prayers for public liturgy and private devotion In essence *Practicing Prayer for the Dead* offers an outline of theology from the perspective of death arguing that prayer for all the departed is one aspect of a tightly knit web of doctrines The argument while revisionary in some respects is orthodox ecumenical and integrative engaging a range of academic disciplines so as to be biblically accurate historically informed and philosophically reasoned

Faith at Home Wendy Claire Barrie, 2016-10-01 Add depth and meaning your family's traditions with these basic Christian practices that nurture and enrich everyone's faith at home Home and parents are the key mechanisms by which religious faith and practice are transmitted inter generationally Recent studies indicate that the single most important factor in youth becoming committed and engaged in their religious faith as young adults is that the family talks about religion at home However for many parents in the United States religious language is a foreign language *Faith at Home* helps parents learn this second language and introduce it to their children in simple meaningful concrete ways Parents often ask How do we introduce prayer to our children if we do not necessarily believe prayer changes outcomes How do we approach reading the Bible with our children

when our own relationship with it is mixed or complicated How do we talk about difficult things and where do we find God in the midst of them How do we teach our children to make a difference in the world How do we connect what happens at church to what happens at home These questions and many more are addressed with talking points practices and resources provided for each subject **A Love Stretched Life** Jillana Goble,2022-06-07 With forthrightness and a sense of humor the author crafts a poignant portrait of motherhood replete with hard earned wisdom This uplifting memoir exemplifies the power of faith hope and steadfast love Publisher s Weekly This life is real and complicated messy colorful good exhausting and exhilarating often simultaneously It s easy to feel overburdened by life s demands Looking out into the world as well as under the roof of our home may cause us to question How did we get here And how will we get through Jillana Goble has been there With honesty faith and a dose of humor her debut memoir *A Love Stretched Life* chronicles what she s continually learning on the suspension bridge between reality and hope A mom via foster care birth and adoption in that order for nearly two decades Jillana has experienced life s curveballs Her come as you are posture amidst a daily reality far different than she ever imagined reassures you that you re not alone if your life isn t tidily wrapped in a bow These stories will stay with you as you strive to love and to love well even when and especially when it s hard Whether you are widening your family circle or just trying to get through the day Jillana welcomes you to her table offering you an anchor of hope to hang on to as you navigate your own love stretched life **Holy Walks** Stephen C. Simon,2019-07-02 Prayers that lead to a growing intimacy with God Heart learning not just more head knowledge Walking conversations with God These are a few of the fruits produced by a spiritual practice called holy walks Rooted in the ancient art of praying the Psalms holy walks enrich our understanding and practice of prayer by integrating prayer walking and learning the Psalms by heart In a practical deeply personal and at times humorous manner Steve Simon shares how holy walks have transformed his own prayer life and revitalized his walk with God and how they can do the same for the reader In addition to explaining the spiritual practice of holy walks *Holy Walks* also provides an introduction to the book of Psalms which will be especially valuable for those with limited knowledge of the Bible Exploring five types of psalms *Holy Walks* describes how God uses them to shape our heart in life giving ways no matter what peaks we re climbing or valleys we re traversing The book concludes with a discussion on what the Psalms teach about God s relationship with us as our creator leader and rescuer **Life, Faith, and Saltwater Taffy** J.
