Help Its Stuck Taboo:

Extending Horizons in Helping and Caring Therapies Greg Nolan, William West, 2019-12-06 This vital new book examines how healing encounters might further the horizons of practice and extend innovation in professional interpersonal relationships Highly qualified contributors explore ways in which insights into individual cultural and community meanings open further perspectives on human being and help clarify what can feel a confusing present and an increasingly unpredictable future Divided into parts on Personal and Professional Identity Culture and Personal Context Practice Research and Clinical Practice each chapter opens up thinking on crucial contemporary issues informed by personal and clinical practice case study examples and by findings from leading edge research investigations adding to the current literature on both theory and practice This book brings together voices from the margins offering alternative practice perspectives that look beyond protocol and statistics based therapy emphasising the relational richness that informs professional interpersonal encounters in the support of mental health and wellbeing It will be of immense value to counsellors and psychotherapists in training and practice as well as for related mental health professionals and those with an interest in the caring professions

The Social Functions of Avoidances and Taboos among the Zulu Otto F. Raum, 2019-06-17 No detailed description available for The Social Functions of Avoidances and Taboos among the Zulu

The Ethical Condition Michael Lambek, 2015-10-23 Written over a thirty year span Michael Lambek s essays in this collection point with definitive force toward a single central truth ethics is intrinsic to social life As he shows through rich ethnographic accounts and multiple theoretical traditions our human condition is at heart an ethical one we may not always be good or just but we are always subject to their criteria Detailing Lambek s trajectory as one anthropologist thinking deeply throughout a career on the nature of ethical life the essays accumulate into a vibrant demonstration of the relevance of ethics as a practice and its crucial importance to ethnography social theory and philosophy Organized chronologically the essays begin among Malagasy speakers on the island of Mayotte and in northwest Madagascar Building from ethnographic accounts there they synthesize Aristotelian notions of practical judgment and virtuous action with Wittgensteinian notions of the ordinariness of ethical life and the importance of language everyday speech and ritual in order to understand how ethics are lived They illustrate the multiple ways in which ethics informs personhood character and practice explore the centrality of judgment action and irony to ethical life and consider the relation of virtue to value The result is a fully fleshed out picture of ethics as a deeply rooted aspect of the human experience

Parenting a Grieving Child (Revised) Mary DeTurris Poust, 2015-08-01 Whether it's a fish a friend or a family member nearly every child will experience a loss in their early years and the experience and feelings of a sad event can be confusing and scary And when grief intrudes children look to their parents and the adults in their lives to fix this pain take away what they don't understand and show them how to handle their emotions Parenting a Grieving Child provides practical and approachable resources for Catholic parents and other adult helpers who work with children to use the power and traditions of the Catholic faith to accompany children as they work through their grief in a healthy way As author Mary DeTurris Poust points out too often children are left out of the grieving process and their specific grief issues are not addressed or are addressed in harmful ways Children's grief is real and powerful and it needs to be acknowledged and validated by the adults who are accompanying them through the grieving process Drawing from the traditions and practices of the Catholic faith Parenting a Grieving Child provides the steps parents can take to help their child through one of life's most difficult experiences

Psyche's Task James George Frazer, 1909 *Stuck on Communism* Lewis H. Siegelbaum, 2019-11-15 This memoir by one of the foremost scholars of the Soviet period spans three continents and more than half a century from the 1950s when Lewis Siegelbaum's father was a victim of McCarthyism up through the implosion of the Soviet Union and beyond Siegelbaum recreates journeys of discovery and self discovery in the tumult of student rebellion at Columbia University during the Vietnam War graduate study at Oxford and Moscow at the height of détente His story takes the reader into the Soviet archives the coalfields of eastern Ukraine and the newly independent Uzbekistan An intellectual autobiography that is also a biography of the field of Anglophone Soviet history *Stuck on Communism* is a guide for how to lead a life on the Left that integrates political and professional commitments Siegelbaum reveals the attractiveness of Communism as an object of study and its continued relevance decades after its disappearance from the landscape of its origin Through the journey of a book that is in the end a romance Siegelbaum discovers the truth in the notion that no matter what historians take as their subject they are always writing about themselves

Junior Graphic Mavis Kitcher (Mrs), 2011-06-22 **The Origin and Development of the Moral Ideas** Edward Westermarck, 2022-05-28 In *The Origin and Development of the Moral Ideas* Edward Westermarck embarks on an ambitious exploration of morality's evolution through a comprehensive anthropological lens The book characterized by its analytical rigor and clarity of prose critiques prevailing moral philosophies while situating moral concepts within the context of human social development Westermarck meticulously investigates diverse cultural practices and the historical underpinnings of moral sentiments revealing a nuanced interplay between instinctual human behavior and societal norms that govern ethical conduct Edward Westermarck a prominent

Finnish philosopher and sociologist was deeply influenced by his fieldwork experiences and exposure to various cultures which informed his understanding of morality as a social construct rather than an inherent trait His background in anthropology and commitment to naturalistic inquiry are evident throughout this seminal work as he synthesizes insights from psychology sociology and history to articulate a comprehensive theory of moral ideas that resonates with contemporary debates on ethics and morality This scholarly examination is essential reading for anyone interested in the philosophical underpinnings of morality and its implications in modern society Westermarck s groundbreaking insights not only challenge traditional moral doctrines but encourage readers to critically assess their own ethical beliefs in a complex interconnected world

Green: The Pitstop Articles - Book 1 B. M. Valdez,2025-07-01 Street racer Bronze is killed in an accident that shouldn t have happened and leaves a legacy behind his pregnant girlfriend who disappears his best friend who might be next an old man obsessed with fire a mysterious outdoorsman rumored to be raised by wolves and a syndicate boss who doesn t want to face the truth Seven months later the streets of Raymond still feel the loss of Bronze like a fresh wound Mercedes the syndicate boss struggles to handle the resulting consequences Law enforcement agencies are tightening their grip on his illegal empire from all directions yet the greatest danger might come from within When Taboo the racer Bronze had been competing against when he died begins clawing his way to the top destruction and chaos follow in his wake Blinded by addiction and his police officer ex boyfriend Mercedes can t or won t see the threat Arctic is the only one who knows the truth about what happened the night Bronze died But to stop Taboo he ll have to confront the darkness of his past and conquer his demons before anyone else becomes a victim The winter racing events are the crew s final opportunity to thwart Taboo s schemes before he destroys the entire syndicate

Gold Digger Tyler Mahoney,2023-10-03 If you haven t seen a Discovery Channel gold hunting show you might picture a gold prospector as a relic of the Wild West a TNT toting bearded old man wildly swinging a pick on the hunt for nuggets guided by old maps superstition legends and instinct It s still predominantly a man s world and still often fanatical but these days the golden dream attracts people from all walks of life and 25 year old Tyler Mahoney Australian star of the Discovery Channel s Gold Rush series is leading the way Hailing from Kalgoorlie Tyler is a fourth generation gold miner and has seen up close how gold fever makes normally reasonable people do the most irrational things From mysterious corpses in the desert to huge heists backstabbing to life changing finds Tyler unearths hair raising stories and legends from Australia s gold prospecting past and present while sharing her experience forging her way in a traditionally male domain She writes candidly about the push and pull of the gold world in her own life as well as her struggles with bipolar disorder a mental health challenge that in some ways parallels the feast or famine nature of prospecting itself With humor grit and an infectious zest for life gold digger Tyler Mahoney stakes her claim
