Lusch, Stephen L. Vargo, 2014-12-18 Expanding on the editors award winning article Evolving to a New Dominant Logic for Marketing this book presents a challenging new paradigm for the marketing discipline This new paradigm is service oriented customer oriented relationship focused and knowledge based and

places marketing once viewed as a support function central to overall business strategy Service dominant logic defines service as the application of competencies for the benefit of another entity and sees mutual service provision rather than the exchange of goods as the proper subject of marketing It moves the orientation of marketing from a market to philosophy where customers are promoted to targeted and captured to a market with philosophy where the customer and supply chain partners are collaborators in the entire marketing process The editors elaborate on this model through an historical analysis clarification and extension of service dominant logic and distinguished marketing thinkers then provide further insight and commentary The result is a more comprehensive and inclusive marketing theory that will challenge both current thinking and marketing practice **WALNECK'S CLASSIC CYCLE TRADER, MARCH 2004** Causey Enterprises, LLC, **Toyota**
