Gold: How it Shaped History Alan Ereira, 2024-11-30 Gold is not what we think It is usually discussed in the context of wealth and art but this book has a broader subject so fundamental that it has been largely unremarked Informed by a mass of recent discoveries and a South American indigenous perspective it offers a new way of understanding the history of civilization Gold has been coinage treasure and adornment But it has been much more as the hidden driver of wars and revolutions the rise and fall of empires and the transformation of societies As the sun traveled east to west across the sky gold incorruptible and corrupting flowed west to east hand to hand across the world That flow has brought empires

to grow and collapse and driven plunder conquest and colonization It brought about wars and revolutions empowered new forms of arts and science and created the capitalist consumer economy that dominates us now All the gold people ever shaped still exists shining as new it can be mislaid but never decays Right from its first appearance on the west shore of the Black Sea long before the rise of Egypt and Mesopotamia gold crowned the first proto king Ever since it has been regarded as value incarnate with transcendental power The quantity we take has been increasing steadily for 6 500 years Now extraction accelerates Our gold mountain has doubled in the last fifty years Yet its price increases faster While the quantity doubled its buying power multiplied by six What does gold do that makes us want it so much As Alan Ereira reveals in this skilfully woven narrative gold is the hidden actor that shapes our story *Bhutan Karma Ura,2023* The process of modernization has brought discontinuities in collective memory This volume and its prequel provide an act of collective remembrance knitting together many voices and stories It shows the readers a world of the past before modernization began in the 1960s Volume 2 covers the monumental architecture of dzongs castles and administration of the country authority and power cosmological concepts and beliefs religions and rites visualization and meditation visual arts and folk drama that affected the daily life of the people Some chapters also dwell on monastic life and monkhood and Guru Rinpoche s imprints on the land and its people *Art Matters Pamela Gordon,2023-10-13* Art Matters enables students to experience art actively and meaningfully weaving together innovative pedagogy and compelling stories about a wide assortment of artworks and artists to show students that art is everywhere art is vibrant and art matters **A History of South India for Children** Pradeep Chakravarthy,2024-01-10 The Kohinoor diamond was once the eye of a Kakatiya deity The Pandyas are counted among the world s longest ruling dynasties Sanskrit poets spun mesmerizing verse that could be read in reverse too Tantalizing Malabar spices flavoured the most lavish ancient Roman banquets Make your way across south India exploring its kaleidoscopic past and dazzling heritage right from its first inhabitants up to the Vijayanagara Empire Meet its royalty and courtiers builders and sculptors poets and authors traders and merchants spiritual leaders and devotees and all the other people who went to make it a top destination of the time Separated from the north by the Vindhya mountains and surrounded on three sides by water southern India developed its own unique features with outstanding rulers incredible literature spellbinding architecture stunning dance forms and delicious food Written in an easy style by theme and peppered with illustrations photographs and tips for museum or monument visits this very first history of south India for children and their families tells the thrilling and eventful story of the region s proud past **Fashion Accessories** Yamini Jhanji Dhir,2024-02-13 This book aims to provide a holistic and enriched learning experience to readers as far as various designing and technical aspects pertaining to fashion accessories are concerned Accordingly the construction methods materials and styles of varied accessory categories are extensively covered in the book Print edition not for sale in South Asia Bangladesh Bhutan India Nepal Pakistan and Sri Lanka *The Science of Economic Development and Growth: The Theory of Factor*
