By printing only one pattern on one side of a page the book gives colorists the best coloring experience Additionally users can color in the patterns and frame them into their own works of art without sacrificing another pattern in the process This also opens opportunities when it comes to using different coloring materials giving more depth and beauty to the piece According to Richard Hargreaves The Mandala pattern coloring pages for adults is a unique and wonderful way for people to express their creativity and love for patterns art and coloring in general The beauty of using mandala patterns as your coloring framework is that you are only limited by your imagination Many individuals would purchase several of these pattern coloring pages just to be able to present different color variations and combinations on the same pattern Whether you re a coloring enthusiast who loves coloring books or an adult who is into painting and creating unique artworks Ironpower publishing s Mandala coloring books is a great medium for creating stylish and personalized pieces of artworks
