favourite among tractor enthusiasts everywhere This illustrated account tells the full story of this remarkable tractor and the company that built it The rise of Essex company Ernest Doe Sons from a village blacksmith s shop to the largest machinery retail organization in East Anglia is traced in detail with full coverage given to the machines it made *Oily Hands and the Smell of Diesel* David Harris,2017-09-29 1960 saw the dawn of an era of unprecedented innovation and development in farm machinery It was a period of rapid technical advancement that produced machines which are the mainstay of the current very buoyant vintage tractor restoration movement At the start of the decade spark ignition Standard Fordson tractors still occasionally required repair by the end of the decade the Fordson Diesel Major had been replaced by the Ford 1000 series The history of these iconic brands is well known *Oily Hands and the Smell of Diesel* gives an alternative view the inside story of the agricultural machinery repair trade First employed as an apprentice then moving his way up to an engineer David Harris gives an entertaining informative and personal account of his time spent at a Ford main tractor dealership working on Ford Fordson County Roadless and Muirhill tractors Chaseside loaders Claas combines and New Holland and Jones balers amongst others Including many historical photographs David describes the technical challenges in detail and tells of the ups and downs of life in the workshop and out in the field This book will be a must read for anyone who is or was involved in the machinery industry anyone looking to restore or repair vintage agricultural machinery and anyone with a general interest in farming and machinery history **Know Your Farm Machinery** Chris Lockwood,2016-09-19 *Know Your Farm Machinery* follows on from the successful publication of *Know Your Tractors* *Know Your Combines* and *Know Your Classic Tractors* This pocket sized book details 43 types of farm machinery most commonly seen on farms today including ploughs cultivators drills spreaders and balers A photograph of each machine is included Chris Lockwood is a Suffolk based freelance agricultural journalist and producer of a long list of farming and farm machinery DVDs This is his fourth book in the popular *Know Your* series *Forty Years with Ford Tractors* David Pearson,2019-10-01 David Pearson spent more than four decades working for Ford s tractor business starting on the production line at the maker s Dagenham factory before moving to the Basildon tractor plant opened in 1964 He went on to become the maker s UK sales manager and earned a reputation among farmers and dealers as the man who knew all there was to know about Ford tractors Along the way he was involved in the development of some of the most famous machines to bear the blue livery from the Dexta to the 7000 and the FW articulated tractors to the 7810 Edited by agricultural journalist Martin Rickatson *Forty Years with Ford Tractors* builds on a series of recollections which originally featured in *Classic Tractor* magazine and includes additional material to tell David s fascinating story in full It includes a comprehensive selection of black and white and colour photographs many of which have never before been published and will be of interest to all Ford fans and tractor fans more generally Front cover photograph c Dave Franciosy www.farmingphotography.co.uk *Truckers North Truckers South* Leslie Purdon,2007-09-28 In the late 1940s Shay leaves school as soon as he can to become a trailer boy on a Gardner truck that is noisy cold and limited in speed The

driver Fred is one of the old school a transport man through and through who knows the best cafes and pubs and all the tricks of the trade Shay soon comes to love this life on the road despite long hours and frequent absences from his home in Kent In those days lorries were less able to cope with bad weather Truckers North includes a vivid account of the terrible winter of 1947 when twenty miles an hour was an achievement and the powerful vehicles were dangerous to handle Shay encountered some lively characters the drivers who worked played and joked hard the kindly landladies who provide a home from home Rosy who awoke the man in the boy Shay progressed in his career moving on to become a driver himself and finally the proud owner of his own HGV

The Long Haul Pioneers Ashley Coghill,2020-02-01 It all started in 1964 when two friends gave up promising medical careers to embark upon a journey which few hardened truckers would have considered In so doing they were solely responsible for creating the first long haul overland route across Europe and deep into the Middle East to Kabul The men had started the Middle East Run was to become a phenomenon in the road haulage industry an image which it still holds today This book is about the company founded by one of those men from its fledgling days as Asian Transport to the thriving Astran Cargo Services Ltd that it is today In this book Ashley Coghill documents the complete history of the company to date with the focus predominantly on the early days when the men were fighting for something and revelling in the adventure These early long haul drivers would think nothing of a 10 000 mile round trip to Iran or the Arabian Gulf and being stranded at 6 000 feet on a mountain pass with temperatures below 40 was just all in a day s work Ashley Coghill has an immense enthusiasm for his subject and has given his research total dedication He has also tracked down past and present employees to gather first hand information which he has illustrated with over 300 carefully selected images The end result is a detailed comprehensive and fascinating account of an extraordinary company

Aston Martin Engine Development: 1984-2000 Arthur Wilson,2020-07-01 The pace at which technology progresses within the motor industry can be incredibly fast What may have seemed an almost insurmountable problem in the late 80s and early 90s and therefore a major achievement when resolved would now seem a minor inconvenience due to the advances made in component technology Aston Martin Engine Development thoroughly details the design and development of Aston Martin engines including the 580X Vantage the Virage and the V8 Coupe In particular it focusses on the twin supercharged 32 valve Vantage engine an engine which set new standards being the most powerful production car engine in the world at the time of its release in 1992 Illustrated with photographs from that time and including power and torque curves this book provides a unique look into a period of Aston s history written by one of the key men involved in making it happen It gives an insight into life at the AM factory at Newport Pagnell an understanding of the benefits of Supercharging at the time of manufacture and a historic record of engine design development and production that would otherwise have been lost to time Aston Martin Engine Development will appeal to Aston Martin owners and enthusiasts and to anyone else with an interest in engines and high performance cars

Fifty Shades of Tarmac Andy MacLean,2015-08-12 It was 1972 It was summer and the living was

easy Arthur Jackson has a good job no ties and no responsibilities but it is not enough he wants adventure and he wants to see the world Based on the author s real life experiences and illustrated with photographs from the time Fifty Shades of Tarmac tells the fictional story of how a naive young British truck driver obtains his first job driving a Mack on the continent of Europe His first trip with all its pitfalls and novel experiences takes him from Rotterdam to Bremerhaven via Moutiers and Salzburg and then back to Rotterdam It is told with humour introducing a number of colourful characters and providing a personal and unusual insight into the life of a truck driver in the 70s at a time when Europe still had frontier posts and custom restrictions It will be of interest to truck drivers Mack fans and other transport enthusiasts and those who simply want to learn more about the social history of Europe in the 1970s

Leyland Comet Graham Edge,2019-10-01 This book is about one of Leyland Motors famous models the Leyland Comet It covers the period from the introduction of the lorry in 1947 to its withdrawal from the British market in the mid 1970s This illustrious name continued to be used in the Leyland DAF era such is the high regard and respect earned by one of Leyland s finest vehicles not only here but also overseas Leyland Comet presents the initial development of the model and the various types which evolved in subsequent years When it was first introduced the Leyland Comet was an immediate success and soon became the market leader in the high quality medium weight lorry sector In the 30 years of production history described in these pages the Comet was only seriously challenged by its great rival the AEC Mercury In its heyday the Leyland Motors name was synonymous with top quality Their Comet range maintained and enhanced the company s reputation Many small haulage firms building a business in the post war years aspired to a Leyland lorry and felt a great sense of achievement when able to acquire one This book has been out of print for many years and has been brought back in 2016 to make this fascinating story available again to Leyland enthusiasts and those with an interest in general transport history Graham Edge is a trucking journalist and author Series Commercial Vehicles Archive Series Subject Commercial Vehicles Transportation

W. Clifford Watts Est. 1937 Gary K. Russell,2004-09-14 The story of Wyndham Clifford Watts is one of humble beginnings and exceptional ingenuity originally from Gwent in Wales W Clifford Watts moved to South Cave in Yorkshire and in 1937 bought a Model T Ford and began delivering farm produce With one successful hauling endeavour under his belt he decided to become a supplier of building materials a business for which there was great demand at the time Again he was successful and obtained his first contract with F Hall at Brough who used his materials to build the Blackburn Aircraft runway By 1939 W Clifford Watts had a number of employees under him and had joined the war effort by supplying much needed sand bags to the ARP posts around East Yorkshire After further rapid expansion of the company W Clifford Watts was incorporated to

become a private limited company in 1944 The company would have been nothing without the mechanical support of the various vehicles and machines utilised for the work This book includes 184 stunning pictures ranging from archival black and white photos of Fordson 7Vs during the construction of RAF airfields in 1941 to extensive colour pages depicting the large scale quarrying operations carried out by the company Some of the vehicles that donned the W Clifford Watts livery were Foden S21 eight wheelers Dodge KT900s MAN six wheeler cement mixers 1995 Scania 1974 Leyland Bisons and DAF CF six wheelers to name just a few

Cola Cowboys Franklyn Wood, 2010-03-01 This vivid account tells the story of the truckers who were driving from the UK to the Middle East in the early 1980s The journey was rough tough exhausting dirty uncomfortable and dangerous Journalist Franklyn Wood reports that in the course of the one trip we are following seven Britons died in accidents Among the physical hazards were icy mountain hairpins unmade roads and desert sandstorms Human hazards included Kamikaze coach drivers robbers mind numbingly slow border controls rogue police and the temptations of the drivers favourite watering holes The route led from Europe through Turkey Iraq during its war with Iran and on to the wealth and culture shock of Saudi Arabia The cargoes were often worth a million pounds Delivering them and returning home for the next load this was the Olympics of truck driving Cola Cowboys was originally published in 1982 when it proved extremely popular It has been out of print for many years and has been reprinted by popular demand

Trucks in the 1980s: The Photos of David Wakefield Nick Ireland, 2015-07-20 Many would argue that the 1980s were a better time for truck drivers than nowadays there were no cell phones there was less traffic on the road CB radio was all the rage and stickers were the simple heart of truck customizing However the transport industry is constantly evolving and companies must adapt their vehicles to keep pace with the developments As a result vehicle design and liveries regularly change Many of the companies around in the 1980s have expired and been forgotten Most of the trucks from that time are long gone to the great scrapyards in the sky David Wakefield has been working in the transport industry for over 30 years and has been taking photographs of trucks since the early 1980s He has amassed thousands of high quality images producing one of the most comprehensive photographic collections of the time but many of his photographs have never been previously published In this vivid compilation Nick Ireland has collated 300 of David's images from the 1980s in order to preserve them and make them publicly available for the first time The book features trucks from all over the world and it is a must have for current and former truckers who will enjoy being reminded of the good old days as well as anyone else with an interest in transport history Subject History Transportation Photography
