Mastering Self-Confidence with Nlp Kerry Johnson, Kerry L. Johnson, 2019-10-14 Most of us suffer from a lack of self confidence Many of us avoid situations in which we lack confidence But think of the things you could accomplish if you have more self esteem and self confidence This book will show you How to reframe your self esteem so you can feel truly confident How performance anxiety can debilitate you and how to stop it How to tap in to past successful memories to increase your present self confidence How to access self confidence in any situation you want How your own self talk can either make you consistently self confident or focus you on failure One of America s foremost business psychologists will give you concepts and applicable techniques using the newest NLP skills to increase your self confidence Mastering Self-Confidence Johnson, 2015-01-01 E Book *Mastering Self-Confidence with NLP* Dr. Kerry L Johnson MBA PhD, 2019-10-14 Most of us suffer from a lack of self confidence Many of us avoid situations in which we lack confidence But think of the things you could accomplish if you have more self esteem and self confidence This book will show you How to reframe your self esteem so you can feel truly confident How performance anxiety can debilitate you and how to stop it How to tap in to past successful memories to increase your present self confidence How to access self confidence in any situation you want How your own self talk can either make you consistently self confident or focus you on failure One of America s foremost business psychologists will give you concepts and applicable techniques using the newest NLP skills to increase your self confidence *Mastering NLP* Donna McCullough, 2019-06-28 NLP or the Neuro Linguistic Programming is an education program that involves both human senses and their communication methods This can greatly help individuals in developing new essential behaviors and habits This is all about learning prejudiced experiences It can also be about discovering how individuals create their experiences inside their mind and how can they exactly go after developing new learning and behaviors that can be very necessary to enhance their living This programming is one of a kind as compared to various studies with regards to the behavior of human since it is focused on replicating and learning talents This only means that mastering the NLP program can greatly help individuals in developing themselves into more determined and responsible person This can also help people in using and further developing their mental and physical talent **Mastering the Virtual Sale** Kerry Johnson MBA, Ph.D., 2021-11-09 The way we do business in the US and across the world has changed We now meet through Zoom Skype Meet and Teams Those who sell virtually are likely to suffer a longer sales process There is less trust generated o a virtual platform vs face to face Since 82% of communication is non verbal virtual communication is difficult There are many challenges in selling virtually Virtual communication prevents us from generating as much trust as we could in face to face selling The Virtual Sale is more abbreviated and condensed than a face to face engagement It is also difficult to book appointments from Virtual Webinars It is harder to close virtually since it is so easy for prospects and clients to stall you Most business strategists believe that virtual communication is here to stay Either you learn how to communicate on the

virtual platform or your sales will permanently suffer But if you can Master the Virtual Sale your production will be even greater than in a face to face environment In Mastering the Virtual Sale you will learn how to Create trust using the virtual platform Book webinar appointments that don t cancel Increase your sales by 38% in 30 days using Virtual Sales techniques Prevent framing sound and video distractions Use the 5 Step Bridge to talk prospects and clients into buying from you Explode your business with the 7 Strategies Kerry Johnson MBA Ph D is an international speaker and the bestselling author of thirteen books He has taught at Harvard Oxford and Purdue universities He currently writes for fifteen national sales and management monthly magazines

The Referral Mindset Kerry Johnson, MBA, Ph.D.,2021-07-22 Referrals are the most effective way of getting business you will ever use In fact referrals are 35% more likely to do business with you and will give you 25% more money But referrals also are among the most difficult to get Asking for referrals is a mix of skills confidence and mindset Most referral generation techniques don t work Now Kerry Johnson MBA Ph D will show you the ones that do Learn How to develop a results focused mindset Proven techniques in gaining 5 to 10 referrals every week How to segment your client base The steps to incumbent advisor relationship How to get mass referrals from centers of influence

New Mindset, New Results Kerry Johnson,2019-04-01 Mind expanding and potentially even life altering advice on both a personal and business level Kirkus Reviews Your Mindset impacts everything you think say and do Your Mindset creates hope and hopelessness success and failure It is the software your brain uses to create attitude experience and achievement It is also the filter that builds behavior Your Mindset causes you to blame others for failure or learn from experience Your Mindset helps you make sense of everything that happens It is the prism through which you experience life Research has shown those with a Results Focused Growth Mindset make more money and are happier than those who choose to limit themselves Those with a fixed Mindset make excuses for setbacks instead of learning from mistakes Your Mindset will help you build self confidence and self discipline It will help you overcome any obstacle and any problem In New Mindset New Results discover how TO ACHIEVE YOUR GOALS WITH A NEW RESULTS MINDSET TO BUILD A RESULTS FOCUSED MINDSET YOUR MINDSET CHANGES YOUR BRAIN GREAT LEADERS USE A RESULTS MINDSET TO ACHIEVE THEIR GOALS TO DEVELOP A RESULTS MINDSET IN YOUR KIDS

Negotiating the Deal Kerry Johnson MBA, Ph.D.,2022-05-24 Negotiation is the fastest and most amount of money you will ever make In one hour you could make Thousands or even Millions of dollars Yet you often negotiate from a position of weakness ending up with unfavorable outcomes This happens because you don t have the necessary skills to make better deals You continually negotiate every day in everything you do You bargain activities vacation time work duties and even child care Yet you probably have never had a course in how to negotiate effectively Everything is negotiable Most of us just accept the price offered or the deal advertised Often we are afraid of negotiating because we think it will strain or kill relationships But negotiation doesn t have to be a win loss game You can strike a deal good for everyone The skill lies in negotiating in a way that relationships can be built

developed and maintained This is the first book ever written on how to combine negotiation with psychology to get the outcome you want What you will learn from this book How Billionaires negotiate How to Bracket the seller to the price you want How to avoid making the first offer How to save lost sales and increase commissions Higher Authority How to keep yours and take away theirs How to motivate decisions with time pressure competition and decreasing value of concessions

How to Recruit, Hire and Retain Great People Kerry Johnson MBA, Ph.D.,2022-08-23 Recruiting hiring and retaining great people are the most important skill sets any manager can acquire With talented and dedicated people any business can succeed Without great people every business will fail Yet many managers recruit only when they have a job opening often settling for those who are only good enough Yet hiring the right people is an ongoing process not a one time activity Did you know that 83% of workers are unhappy with their jobs and that 68% are actively looking for a new career opportunity Great managers keep in contact frequently with qualified recruits and talk to candidates every 3 months Poor managers wait until they have a need and then hire the wrong people Unfortunately many managers often hire those who are most like them instead of who are best suited for the open position But great managers hire slow fire fast They interview effectively and check the candidate s past performance before making an offer How someone produced and behaved in the past is likely how they will produce and behave in the future In this book How to Recruit and Hire and Retain Great People you will learn The 3 month call script and how you can use it to source great people How to use the 5 Step Bridge to find out each candidate s needs and goals The 11 key questions and how to weight them to objectively select the right person for the right job The 4 Step Training Approach that will help each candidate produce faster results How the Let s Assume Technique will help you retain great people longer
