Michael Blumenthal, 2015-07-21 The former Treasury Secretary has shared his story in a memoir that is both an engrossing personal narrative and a thoughtful reflection on leadership Henry Kissinger author of On China In a life that has spanned nearly nine decades and has taken him around the world and back W Michael Blumenthal has borne witness to the world's convulsions and transformations during the twentieth century Born in Germany between the two world wars Blumenthal narrowly escaped the Nazi horror when in 1939 he and his family fled to Shanghai's chaotic Jewish ghetto where they spent the entirety of the WWII From these fraught and humble beginnings Blumenthal would emerge a major leader in American business and politics In the second half of the century Blumenthal headed two major American corporations Bendix and Burroughs later Unisys served as a US trade ambassador in the State Department and the White House advising John F Kennedy and Lyndon B Johnson and served under Jimmy Carter as the secretary of the treasury After his retirement from business and politics he began an entirely new chapter in his career when he conceived and served as the director of Europe's largest Jewish museum the Jewish Museum of Berlin An essential autobiography by one of America's great political figures From Exile to Washington is an engaging chronicle of the twentieth century's greatest upheavals and a tribute to a lifetime of courage leadership and decisiveness Blumenthal's astute understanding of history allows him to ably demonstrate the significance of good leadership Kirkus Reviews An astounding life splendidly recorded Fritz Stern author of Five Germans I Have Known **Woman's Suffrage**, 1920 **Stoic Empathy** Shermin Kruse, 2025-04-08 Correct the power imbalances in your work and life with a science backed practice that combines the rigor of Stoic philosophy with the relational impact of empathy Stoicism combined with

empathy may sound like a contradiction in terms But when these seemingly opposing forces are harnessed together they have the power to change your life From surviving missile attacks and political oppression in Iran to leading high stakes legal teams and negotiations in corporate America Shermin Kruse s journey fuels her mission to merge empathy and stoicism as tools for navigating power justice and human connection in every facet of life In this eye opening book she offers you this radical perspective shift anchored in up to the minute research to help you navigate life s challenges with power and principles We often think of empathy as an emotional stance we feel what someone else is feeling But Kruse outlines a form of empathy that s based in cognition not emotion a way for us to understand what the other person is thinking and feeling while keeping a distance from their feeling state and shows us how we can strategically maneuver our level of engagement from emotional empathy to cognitive empathy in different circumstances Then she utilizes Stoic philosophy and modern science to outline the how of emotional regulation and control The bridge she builds between Stoicism and empathy gives us the knowledge and discipline we need to Calmly assess the power dynamics of any situation Understand and manage our own emotions as well as the emotions of others Defuse danger and turn conflict into connection Skillfully steer a challenging conversation toward the result we want Whether you re a leader striving to succeed in your role with integrity an educator seeking to guide curious minds with compassion a parent nurturing resilience in your children or simply facing a personal or professional crossroads Stoic Empathy is an essential toolkit for negotiating success in every area of your life
