Inequality, Crime, and Health among African American Males Marino A. Bruce, Darnell F. Hawkins, 2018-11-30 In this volume authors draw from theoretical and methodological frameworks in the health social and behavioral sciences to illustrate how poor outcomes among individuals and communities can be linked to the interplay of multiple factors operating at various levels

Punished for Aging Adelina Iftene, 2019-07-22 Built around the experiences of older prisoners Punished for Aging looks at the challenges individuals face in Canadian penitentiaries and their struggles for justice Through firsthand accounts and quantitative data drawn from extensive interviews this book brings forward the experiences of federally incarcerated people living their golden years behind bars These experiences show the limited ability of the system to respond to heightened needs while also raising questions about how international and national laws and policies are applied and why they fail to ensure the safety and well being of incarcerated individuals In so doing Adelina Iftene explores the shortcomings of institutional processes prison monitoring mechanisms and legal remedies available in courts and tribunals which leave prisoners vulnerable to rights abuses Some of the problems addressed in this book are not new however the demographic shift and the increase in people dying in prisons after long inadequately addressed illnesses with few release options adds a renewed sense of urgency to reform Working from the interview data contextualized by participants lived experiences and building on previous work Iftene seeks solutions for such reform which would constitute a significant step forward not only in protecting older prisoners but in consolidating the status of incarcerated individuals as holders of substantive rights

Social Work with Latinos Melvin

Delgado, 2017-06-27 The focus on Latinos in the United States has generally overlooked key social economic political dimensions that are not only growing in importance but may ultimately hold an important key to how well this group does in the immediate and distant future in the country The approximate ten year period since this text's initial publication has witnessed an increase in scholarship and new social political economic developments regarding this population group Social Work with Latinos Second Edition captures these advances and adds to the existing body of work in this area In particular this revised edition provides an up to date demographic profile identifies the rewards and challenges for the development of social work interventions focused on Latinos includes a conceptual foundation from which to develop social work strategies for outreach engagement service provision and evaluation features a series of case illustrations to highlight how cultural competency humility can unfold to better reach this population group grounds the Latino experience within a social economic cultural and political context and provides recommendations for social work education research and practice **Baby**

Boomers of Color Melvin Delgado, 2014-11-18 Because researchers often treat baby boomers of color as belonging to one group quality data on the individual status of specific racial populations is lacking leading to insufficiently designed programs policies and services The absence of data is a testament to the invisibility of baby boomers of color in society and deeply affects the practice of social work and other helping professions that require culturally sensitive approaches Melvin Delgado rectifies this injustice by providing a comprehensive portrait of the status and unique assets of boomers of color Using specific data he grounds an understanding of boomers financial medical and emotional needs within a historical socioeconomic cultural and political context resulting in tailored recommendations for meeting the challenges of a growing population His research focuses on African American Hispanic Asian Pacific Islander and Native American older adults and addresses issues of financial security employment stability housing and health care which are often complicated by linguistic and cultural differences Rather than treat baby boomers of color as a financial burden on society and its resources Delgado recognizes their strengths and positive contributions to families and communities resulting in an affirming and empowering approach to service Latinos and Alcohol Use/Abuse Revisited Melvin Delgado, 2012-12-06 The one of a kind exploration of effective alcohol prevention and treatment for Latinos now and for the future By the year 2020 the Latino population in the United States will increase to 60 million making up 18 percent of all residents Latinos and Alcohol Use Abuse Revisited Advances and Challenges for Prevention and Treatment Programs brings into sharp focus how present and future demographic shifts in Latino population are being felt in alcohol programs across the United States Case studies and in depth research clearly illustrate the practical steps various culturally competent programs recommend to effectively deal with alcohol use prevention and treatment for Latinos Alcohol abuse though rampant in Latino populations has not received the attention that other types of drug abuse has received even though the death rates health problems and financial costs from alcohol are staggering Latinos and Alcohol Use Abuse Revisited presents respected authorities tackling the tough questions

about demographics culturally competent research and effective prevention and treatment programs The book provides an up to date socio demographic foundation then builds upon current research and information to present a clear picture of the needs of various Latino populations for alcohol abuse programs now and in the future Latinos and Alcohol Use Abuse Revisited discusses the Latino demographic profile an overview patterns of need and treatment among Mexican origin adults in central California alcohol abuse among Dominican Americans the onset of alcohol and other drug use among gang members incarcerated Latinas alcohol and other drug abuse rural Latino grandparents raising grandchildren of substance abusing parents alcohol use among Puerto Rican active injecting drug users alcohol and other drug abuse prevention for high risk youth a case study of a Puerto Rican community in Massachusetts detailed recommendations for prevention and treatment Latinos and Alcohol Use Abuse Revisited is a detailed examination of prevention and treatment programs for Latinos invaluable for substance abuse professionals social workers practitioners and professionals in charge of alcohol prevention and treatment programs

Social Justice and the Urban Obesity Crisis Melvin Delgado, 2013-05-14 Melvin Delgado focuses on urban obesity in populations of colour dissecting the issue from individual family group community and policy perspectives After surveying the history of urban obesity anti obesity policies and programs and the role of social work in addressing this threat Delgado moves through social ecological environmental and spatial aggravators such as the food industry's nefarious advertising strategies
