

Health and Safety policy

This is a template Health and Safety Policy for use by Making Music members. It is based on the template provided by the Health and Safety Executive and is designed to be a starting point for your policy.

- The policy has been designed for a 'typical' member group. In all sections you may want to adjust the wording or emphasis to suit the particular circumstances and activities of your group.
- In the responsibilities section you can list more than one person as having practical responsibility at events and activities.
- All sections in [square brackets] need to be updated with your groups details.

We suggest you read our general Health and Safety guidance before using the policy.

Introduction and scope

[Group name] is committed to providing a healthy and safe environment for all those involved in the musical activities it organises.

- This includes but is not limited to; members, staff (including freelance) volunteers and members of the public.
- This includes but is not limited to; rehearsals, concerts and fundraising events.

Responsibilities

- Overall responsibility for health and safety sits with the [Group name] Committee.
- Practical responsibility for health and safety at events and activities organised by [Group name] sits with [name and role].

Statements of general policy

1. [Group name] will seek to prevent accidents and cases of ill-health by managing the health and safety at events and activities they organise.

Actions to be taken: relevant risk assessments to be completed for events and activities. Where regular venues are used the risk assessment will be reviewed on an annual basis or sooner if required.

2. [Group name] will provide clear instructions and information to ensure that members, employees and volunteers are competent to do their work in a healthy and safe manner.

Actions to be taken: tasks performed by members, staff and volunteers to be risk assessed and appropriate instruction to be provided (e.g. preparing and serving hot drinks, erecting staging)

3. [Group name] will engage and consult with members, employees and volunteers on health and safety conditions.

The Franchising Handbook Carl Reader, 2016-07-14 Most small business books focus on what it takes to start a small business and not what it takes to start a franchise At best these books might allocate a single chapter to the concept of franchising and at worst the author presumes that franchises are the same as any other business start up The world of franchising has its own nuances

and advice that works for 99% of start ups would not apply to franchising In fact well meaning advice can often be detrimental to potential franchisees This book is focused on making sure that potential franchisees are aware of the specific journey ahead of them As franchising is a two way business arrangement it includes exactly what franchisors are looking for what can or cannot be negotiated with a franchisor and how best to present yourself to ensure that you win the franchise you want Housing Rehabilitation Specialist Manual of Practice R.
