

Dissection Guide

Four Chambered Heart

(a) Anterior (sternocostal) surface

The diagram above is an anterior (front) view of the heart.

Before cutting into the heart, do the following, making sure everyone in your group is involved and participating as much as possible:

- Identify as many of the features from the diagram as you can find. If you're unsure of something, ask the teacher.
- Take your finger and probe around the openings of the heart. Notice which openings open to various parts of the heart.
