W. Minton, 2013-07 Families are like snowflakes in that no two are exactly alike Each individual has a part to play on the stage of family drama and those characters can be so different and yet so much alike as they share that clan identity An individual can change the name or wear a mask and move away to seek obscurity or fashion some other identity on near or distant frontiers or foreign shores to dwell among strangers Fame and fortune are calling and for some a hermit's life is more attractive The American traditions of love and romance marriage and creation of another family institution have conventional conservative designs but occasionally there is the unorthodox merger of opposites or the union of similar spirits in a compatible but unconventional connubial design Children are born and grow up in these milieus to inaugurate their own family dramas taking with them into those relationships all the features that genetics nature and nurture have provided to equip them for assuming their place to play their part in the drama of human life in the American family tradition This story is about one of those resulting families of unconventional design **Piano & Keyboard**, 1996

Running Away Ulysses Stephen King, Jr., 2015-03-12 Ulysses honest candor about the Christian journey is refreshing He supports the body of Christ in developing spiritual veracity while applying practical truths Running Away is an authentic discourse exploring life behind the pulpit Vita Jones Ph D For those sons and daughters who served alongside their parents in ministry and were left on the battlefield wounded with scars you are not forgotten There is healing for the soul and spirit even in the midst of pain and disappointment Pastor King's daring memoir goes beyond the religious slogans and Christian jargon that is so often used by popular celebrity preachers and he examines some of the views and stereotypes cast on pastors children who serve in the church He shares his personal journey emotions and reasons for accepting the call to serve as the pastor of a historic classical Pentecostal church He also attempts to answer the question Why do so many pastors children leave the church and run away from the call to serve Running Away is a memoir of passion told by the son of a bishop who struggled to find his purpose and destiny in a denomination he no longer loved after the death of his father The book looks at Pastor King's personal tests failures and trials in ministry and what it took for him to overcome some of the painful experiences of leadership Running Away is not a memoir of triumph or failure but of truth his truth Pastor King takes a leap of faith and risk by being vulnerable in order to share his story with a broader and wider community hoping his readers will understand his heart and love for his father and the local church he faithfully served for over thirty years Running Away is a must read for pastors with children and Christians who are often critical of them 100 Ultimate Soul, Funk and R&B Grooves for Piano/Keyboards Andrew D.
