Tax Preparation for Beginners Instafo,George Cohen,2021-03-01 The Beginner s Guide to Tax Preparation Welcome Newbie who wants to prepare reduce and file taxes yourself Taxes suck They suck so bad that they might as well be called tasses because they truly are a pain of a task to keep track of prepare calculate and file every year What about hiring an accountant to do the work Wait did you forget about needing to stash a couple hundred bucks or more depending on how complicated your tax situation is to pay a professional which you don t have or don t want to depart with Simply put we all hate doing taxes and even more giving up a portion of our hard earned money to the Taxman We dread them We can t avoid them The penalties are there for not complying Psst now let us let you in on a little secret Tax prep isn t as perplexing as you may think Sure tax returns are designed with all sorts of convoluted technical wordings and footnotes to throw us taxpayers off from easily gaming the taxation system that funds our government and from us easily gaining the optimal tax efficiency for saving on our tax bill because Uncle Sam does want to squeeze out every last cent The fact of the matter is anybody can file taxes

and for free without ever needing to pay for an accountant or throw money at the latest popular tax software If you have never done your own taxes before you're in luck Tax Preparation for Beginners is precisely what the greedy Taxman hates and what you need to get you up to speed and empower you to feel confident and competent to file taxes for the first time all by yourself Tax Preparation for Beginners will guide you through The personal information and documentation needed upon filing your tax return The good old fashioned doing taxes by hand on paper for seniors or technophobes The eFile way of submitting taxes directly to the IRS for free with no muss no fuss The convenient software to handle complex tax situations expenses and deductions The safely guarded methods nobody uses except the rich to pay as little to no taxes on top of everything else that beginners need to know You will not only get a guiding hand on preparing taxes but also the secret to NOT paying taxes legally like how the wealthy do Alright that might be too far of a stretch so at the very least lower your taxes dramatically below the standard limitation via tax hack strategies which even an accountant probably doesn't disclose upfront unless you already know how to exploit those things and bring them up Also shall we dare say that you might find doing taxes fun We know That's likely blasphemy to associate tax with fun Yet there's no denying that getting bigger than anticipated tax refund is always tax fun Right Fear no more of the Taxman and taxes newbie Now even a high schooler who knows diddly squat about finance while still living in their parent's basement can file taxes on their own after getting their first job and paycheck ever You'll never have apprehension again but instead the capability in doing all your taxes from now on
