

GROUP HOME PROGRAM STATEMENT GENERAL INSTRUCTIONS

Welfare and Institutions Code (WIC) Section 11467(b) requires the standardized **Group Home Program Statement** for county placement, Community Care Licensing Division (CCLD), and Aid to Families with Dependent Children-Foster Care (AFDC-FC) rate setting. A separate **Group Home Program Statement** must be completed for each distinct program operated by a provider.

A group home "program" is defined as a unique combination of services to a specific population of children in one or more licensed group home facilities (Manual of Policies and Procedures (MPP) Section 11-406(p)(6)(A)). AFDC-FC rates are established for group home programs organized and operated on a nonprofit basis by the California Department of Social Services (CDSS), Foster Care Rates Bureau.

CDSS, CCLD licenses group home facilities. A separate license is required for each facility (location). A group home program may be provided in one or more licensed facilities but each facility must be licensed separately.

INITIAL GROUP HOME LICENSE APPLICANTS/INITIAL GROUP HOME PROGRAM STATEMENTS

A group home must be licensed and have an AFDC-FC rate established in order to accept placements from county social services or probation departments. These placements are funded by AFDC-FC. AFDC-FC rates are only established for group home programs that have the written support of the social services or probation department (MPP 11-406.12) from the host county, primary placing county or a regional consortium of counties. The host county is the county in which the facility, or a majority of facilities, is located (MPP 11-406(h)(1)).

PROCESS FOR SUBMISSION OF INITIAL GROUP HOME PROGRAM STATEMENTS

- Complete the **Group Home Program Statement**.
- Submit one copy of the **Group Home Program Statement** to the host county primary placing county or regional consortium of counties, (social services or probation department) and request a letter of support.
- The county reviews the program as described in the **Group Home Program Statement** and may schedule an interview and/or site visit to determine if the group home program meets its needs.
- The county must issue a letter of support before the next step is taken.
- Submit two copies of the **Group Home Program Statement** and the county letter of support to the CCLD District Office. (The support letter is not a requirement for licensure.)
- The CCLD District Office sends a copy of the **Group Home Program Statement** and the county letter of support to the Foster Care Rates Bureau.

REVISIONS TO GROUP HOME PROGRAM STATEMENTS

The group home must submit revisions to the **Group Home Program Statement** when any changes are made to the program that will affect the license and/or the AFDC-FC rate. It is only necessary to submit the documents/pages that are revised, including a new Part I and revised Table of Contents. It is not necessary to submit a complete new **Group Home Program Statement**.

Changes to the group home program that are more than one Rate Classification Level (RCL) greater than the original RCL determination, i.e., new programs or program changes, must be submitted to and supported by the county (MPP 11-406.12).

Programming Effective Human Services Walter Christian,2012-12-06 Human service programming has been the focus of much public scrutiny legislative action and applied research in recent years As a result human service providers have learned to exhibit greater respect for the needs and legal rights of their consumers the appropriateness and cost effectiveness of treatment procedures and service programs and the personnel and facilities involved in providing services to consumers Despite this encouraging trend many human service agencies are still trying unsuccessfully to meet the two fundamental criteria of effective programming 1 providing services that are effective in meeting the needs of the consumer and 2 equipping consumers to function independently of the human service system to the extent possible For example there appears to be a general acceptance of the notion that custodial institutional service programs are needed despite the fact that they are ineffective in rehabilitating and transitioning clients to the community and that they are difficult to change In addition although community based service programs have been developed as alternatives to institutional placement there is rarely sufficient transitional planning and programming to facilitate the client's progress from the institution to the community Although these problems generally are acknowledged most human service managers and practitioners are ill equipped to deal with them Specifically the technology of human service management is in need of improvement It is more theoretical than practical and it lacks sufficient field testing and empirical validation Compendium of HHS Evaluations and Relevant Other Studies HHS Policy Information Center (U.S.),1990 Resources in Education ,1998 *Volunteers in Juvenile Justice* Ira M.
